2015 NOVEMBER

In the last edition of Today's News we announced the up-coming annual Memorial Day Picnic which was the best attended ever! Praise God! In this edition we are pleased to invite you to the Annual GreenStone Ministry Fund-Raising Dinner. Please see the details on the attached flyer.

The event will be in the newly remodeled Scottsdale Presbyterian Church Fellowship Hall which is now called The Chapel, where Redemption Church Scottsdale now worships on Sunday mornings. The new look for SPC is evidence that the Lord is at work for His people.

The program for this year's Fund-Raising Dinner will bring an up-date on the Lord's plans for GreenStone Ministry. Those of us in leadership are in awe of His plan and purpose and we continue to lean heavily upon Him for guidance and provision.

We always look forward to seeing old and new GreenStone friends at these gatherings. Some of us have been saying recently "you only need to show up and the Lord takes over, always bringing light and encouragement from sometimes unexpected sources." We hope you will join us for both the worship and dinner beginning at 5:00 PM.

As we approach the 2-year anniversary of the death of our good friend Tafesse on November 16, 2013, our hearts are blessed by inspiring memories of moments spent with him and his God-inspired vision for spreading the Gospel of Jesus Christ.

PRAISES AND PRAYERS PLEASE

1. Prayers for on-going Bible Distribution and Printing Press.
2. Prayers for recurring pledges on the web-site.
3. Prayers for Kidane/Gola family who again experienced loss with the death of grandmother, mother, and friend of GreenStone Ministry, known to us all as Lulu (mother of Abeba and Genet).
4. Praises for His ever faithful guidance and provision.
