OUR WORLD HAS CHANGED

CTLC has changed since the outbreak of the COVID-19 pandemic. We have lost a core group of volunteers but God has provided another core group of volunteers that have stepped up to help. We are very grateful to those that have chosen to volunteer. Our food distribution method has changed to a drive through process. Our Clients receive food in the parking lot and do not leave their cars. Volunteers fill the baskets inside the pantry, push the grocery basket to the parking lot and fill the cars from there. This has become a very efficient method and helps with social distancing. Our clients have told us that they appreciate our willingness to provide for them during today's challenges.

THANK YOU, THANK YOU, THANK YOU

We want to thank our Churches, Individuals, Organizations, and Businesses for their prayers, financial support, donations of food, and volunteers. We have been blessed by the Temple/Belton and surrounding Communities. We cannot provide for so many families without your help and we appreciate all that you do. We signed up 118 new families in March and 140 new families in May. We are helping feed approximately 3300 individuals each month.

THANK YOU KWTX – TV

The Food for Families Food Drive has been advertised on Channel 10 and has been an overwhelming success this year. We want to thank Operation Feeding Temple for their support of the food pantries and for KWTX for their superior efforts in fighting hunger in our community. The Bell County Community has stepped up once again to provide for those less fortunate in our neighborhoods. Thank you for your generosity, Bell County.

GOD IS IN CONTROL

It's hard to see the Mighty hand of God moving when tragedy strikes as with COVID-19 and many other life changing events. But as Christ followers, He blesses us with gifts for the purpose of Serving and Honoring Him. God is in control and His plans are the best. We can pray to Him for strength, courage and grace to serve and help others with a heart of joy.

CTLC

I love CTLC,

It's the best place to be.

Although they're quite full on food rotations,

They no longer accept clothing donations.

But every month and every year, They always have new volunteers.

They give you a t-shirt for free, And if there are leftovers, take what you need.

They pray before starting, to help those imparting.

They choose you where needed, to do the job heeded.

Gerald is the cook, who does not need a book.

The break room as well, boy is it swell.

But most of all I love the workers.
