

NX LEVEL JR. TIGERS TRACK CLUB

Dear Potential Sponsor,

The NX Level Track & Cross Country Club needs your help. We are a registered non-profit 501(c)(3) youth program with an all-volunteer staff that needs to partner with some corporate sponsors to allow us to continue on our mission to enhance the self-esteem, confidence, physical fitness, and personal growth of youth athletes by focusing on our key founding principles of Attitude, Effort, & Focus, which we feel are instrumental in preparing each child for success and good citizenship in every aspect of their lives.

"Coach MO" Oliver

Intern Coach (XC)
Intern Coach (Sprints)

Michelle Rafferty
Business Manager

Angela Gray
Long Jump Coordinator

Norrell Williams
Fundraising Coordinator

Jaymie Lyon
Admin. Assistant

There are many benefits that come with sponsorship of the NX Level Track Club. Besides the tax deduction, there are opportunities for cross promotion of your business on our website. As well as the potential recognition and goodwill from your customers, clients, and suppliers for the achievements that the athletes accomplish as a result of your support and generosity.

Although we limit the fees of participation, there are many athletes whose families struggle to afford the cost. We believe every child should have the opportunity to participate in elite activities where they will be coached physically, mentally, & emotionally by highly skilled and accomplished staff regardless of their financial status. Therefore, we are seeking donations to cover the various expenses including entry fees, uniforms, shoes, awards, equipment, insurance, track rental, & travel for coaches & athletes who qualify for the USATF Junior Olympic Regional & National Championships.

Track and Field is one of the rare sporting opportunities where athletes of all ages and ability can compete and quantifiably measure improvement. The NX Level Track Club recognizes and presents an award each time an athlete breaks a personal record in any event, allowing them to build confidence based solely on their own performance and encouraging them to continue to strive for improvement.

Our athletes compete in several track meets throughout the year in AZ, but the pinnacle of Youth Track is the Junior Olympic competition developed by USA Track & Field as the breeding ground for future Olympians. Many of our athletes qualify for the Regional Championships (top 4 in each state) and National Championships (top 5 in each Region, top 30 in XC). We are proud to also have several returning All-Americans (top 8 or XC top 25 in the USA)!

The NX Level Track Club humbly asks for your help. Your generous support will allow us to continue to help these kids strive for their dreams. And someday you might be able to say that you helped make it possible for an athlete to become an Olympian!

NX LEVEL JR. TIGERS TRACK CLUB
