

WHAT'S IT LIKE TO SERVE AS A MEMBER OF THE CAMP BALDWIN SUMMER MINISTRY TEAM?

This is a ministry like few others and requires a lot of work from both its full time and summer employees to ensure that our campers receive the best possible experience. That being said, the foremost thing you will need as you serve at Camp Baldwin is a servant's heart. We strive to place the camper's needs and desires in the forefront of our ministry. Through our support and diligent work, we pave the way for the pastors, teachers, and counselors of our various groups to change the lives of those they minister to. Even though at Camp Baldwin you may not have a direct ministry to the camper, your ministry behind the scenes makes all that happens here possible... it is a truly amazing ministry.

The role of summer ministry team is varied and may not be what one expects when applying. We hope that although everything you do could never be outlined on a sheet of paper, it is our hope to give you a good idea of what to expect from the following lists.

THINGS ALL SUMMER STAFF CAN EXPECT...

LONG WORK DAYS: Although our full time staff works hard to provide you with a schedule that averages 30 to 40 hours per week, it is quite possible to be called on to work beyond an eight hour shift on any given day.

LONG WORK WEEKS: On the average you will work a 6 day work week.

HARD WORK: There are many things that require a lot of effort when you minister during summer camp. Despite that, you will find it to be some of the most satisfying work you have ever done.

HOUSEKEEPING: Every summer ministry team member will help with housekeeping at some point or another which includes cleaning rooms, bathrooms and other 'common' areas.

RULES: We have a dress code, a curfew, speed limits, and other rules that you will need to 'know and love' while serving at Camp Baldwin...all for the good of the camp community.

ROOM AND BOARD: You will be given a room with 3 to 4 other summer staff and free meals whenever campers are served.

LIMITED PAY: This is a ministry position and our pay...although fair...may not be what you would find in other situations. It is our hope that you will find the personal rewards far greater than the *silver and gold* of this world.

FUN: People come here for a reason. It's a great place to be! You will be able to enjoy a myriad of different spiritual experiences while enjoying a recreational adventure on the shores of Wolf Bay.

FRIENDS: We strive to assemble an awesome group of young men and women to minister at Camp Baldwin and you will get to spend eleven weeks getting to know them. Life-long friendships are the norm for work at a place like this!

CHANGED LIVES: Every summer children receive Christ, teens dedicate themselves to Him... lives are forever affected by what happens here! And, **you** are a big part of that! Most of all...you may find by the end of your summer, that God has changed you in some way!
