

Dear Families,

We would like to let you know about a very exciting opportunity. Flenniken Public Library in Carmichaels, PA is offering children the chance to become members of a Design Squad Global Club! Design Squad Global Clubs introduce children to engineering and invention through fun hands-on activities. Each week club members will design, invent, and build engineering projects. Not only will your child have a great time, but the club will strengthen his/her problem-solving skills, creativity, confidence, and ability to work well with other children. It may even spark an interest in careers related to math, science, or engineering!

Another feature of the club that appeals to children is that it's an international club. Each DSG club is paired with an English-speaking DSG club from another part of the world. Your child will have the opportunity to communicate with children from a different country, sharing many exciting DSG experiences!

Here are the ~~Details~~

Club Leader: Cara Rach, Children's Outreach Coordinator

Club Leader Contact Information: 724-966-5263 or email cara@flenniken.org

Age Group: 10-13

Number of Club Members: 12 (maximum)

Location: Flenniken Public Library, Carmichaels, PA

Day and Time: Thursday from 1-2pm during our summer reading program (Thursdays, June 22nd through Thursday, July 27th)

Attendance: Each week of the club builds on the last; DSG isn't a drop-in club. Your child must attend every week.

This will be a great opportunity for your child. Check out pbskids.org/designsquad for more information. If you are interested in having your child join the club or have further questions about it, please contact me right away.

Sincerely,

Cara Rach
