Horse Camp Session Descriptions:

Please review the following descriptions to make sure that you register for the appropriate session. If you are not sure about which session is best for your child, please contact us and we'll be happy to help you decide. We want your child to have the very best experience possible. To ensure that your child fully enjoys the horse camp experience, it is important that we have the most accurate description of any previous riding experience. If you have any questions, please let us know.

Session Start Date	Session Title	Session Description
May 8-12	Homeschool Beginners Camp	If you have ever wanted to pet or ride a horse this is the course for you. We introduce you to horses and explain how horses feel, think and act. Horses play games with each other to decide who will be the best leader. Just like we use competition to see who the fastest runner will be. We'll show you how Humans play these games with Horses to better become the horses' leader. You'll learn safety protocols, how to manage a horse on the ground and how to saddle your own horse. We also ride, ride, ride! Your horse becomes your partner and you play and ride and learn how to be a good leader. No experience necessary. (see below)
May 15-19	Homeschool Beginners Camp	We are going to learn all the same skills as listed above. Each group has its own dynamic. We work with individuals and everyone had a

		different skill set and level of confidence. Instructors will work as a team and also with the independent student. We try to match the horse to the student for the best learning experience. We keep our camps small so that each student has a horse of their own to ride and learn with.
May 29- June 2	Advanced Camp	This camp is for our truly horse crazed student! We are going to cover the world of English Riding including posting, diagonals, lead changes, and jumping over small jumps. For those whose interest is all Western, we will teach some cowboy dressage, in addition to trail obstacles and small jumps. The week will finish with a trail ride to Elkmont Rails to Trails. Special permission is needed for the trail ride. This camp will focus on winning the games, being effective leaders, and using patterns to learn skills.
June 5-9 June 26-30 July 24-28	Beginner 1 Camp	Choose 1 of the 2 weeks offered. This camp will be similar to the Beginner camps in May for information see the descriptions for those weeks.
June 12-16 July 10-14	Beginner 2 Camp	Choose 1 of the 2 weeks offered. This camp is an extension of the previous beginner camps. We will see a farrier shoe and trim a horse's hooves. We learn about the different personalities of horses and how that changes how we interact with them. We will practice our riding skills and start trotting and maybe a canter. We will play fun games with the horses that make learning to ride simple and fun. We will study the difference between trotting and gaited and pacing horses. We develop the confidence and competence to ride bareback!
July 1,2,3,4 & 8	Adult Camp	This camp will work for individuals at the place they are on their horsemanship journey. We will have a trail ride and trailer loading demonstrations. Troubleshooting, individual fluidity, focusing on winning games and using patterns to achieve our goals. We will work on understanding how to work and play with all personalities. Our goal is to provide you opportunity, education, and support to inspire you to be great with your horse. Free board and trailering to clinic is included with this camp.

We are scheduling an Adult Camp over two weekends, July 1 – 2 – 3 – 4 and July 8. The times will be 7:00am till 12:30pm on all days except Sunday, 1:30pm till 7:00pm

Natural horsemanship is a wonderful way to build your children's confidence and leadership ability. It teaches them patience thru the process and the joy of achievement and result. Horses are great at

showing us how to be polite, patient, and persistent, and also assertive not aggressive. The love of horses may be a phase your child is going through on the way to other paths or it may be the connection that makes sense to them and continues throughout their lifetimes. Either way we will make great memories and friends as well as establish empathy for the animals that serve and love us.
