#### MESSAGE FROM RMHS PRESIDENT -JERRY PARKS

To the Members of RMHS.

As I contemplate the situation with RMHS I have mixed emotions. This will be my last article as I will not be running for office again. There is to be an election coming up in April and Bio's for those that will be running for office will hopefully be included in this newsletter elsewhere.

I just received a list of those willing to run for RMHS office for those positions that are open. Any positions that remain open after our election will be filled by the new President and BOD. As of now we still have 2 positions open that no one has shown an interest in.

Many of you are also curious about State Convention this year. Since No Club has put in a bid to host the convention nothing is planned that can be shared. I am working with a club to try and pull it together with their help and if and when that is completed I again will share as soon as I can.

There are many reasons and things that have transpired over the last 2 months that have basically put a stop to many things with the state organization. People having their feelings hurt, more concerned with themselves than the organization.

On a positive note Final sweeps have been tabulated and will be available for the past sweeps year. Starting January 1, 2020 we begin a new sweeps year that will run from January 1 to December 31<sup>st</sup> of each year. We have adopted a new sweeps format that we hope will allow for a budget that can be relied on for year end sweeps, have made additional awards available for recognition of quality points etc.

I would like to Thank all that have stepped up and supported RMHS the last 2 years. I am hopeful that the future will see out hobby continue to survive and grow, but it ultimately comes down to you the exhibitor getting involved and supporting your local and state club.

#### RMHS MISSION STATEMENT

The mission of the RMHS statewide organization shall be

- to promote, improve, protect and grow the rabbit hobby;
- to educate, enrich and assist rabbit hobbyists; and
- To enhance, coordinate and unify policies and procedures in the best interest and high standards of our membership

#### SONYA GARCIA—WESTERN SLOPE DIRECTOR

Greetings from the cold and snowy western slope of Colorado!

It has been a long winter already in my neck of the woods with no end in site. Thankfully the does are cooperating and producing litters even through the cold and short days. I look forward to some sunny days at least!

It is very exciting to see another new show being added further to the west side of the state in Eagle! Mile High Rabbit & Cavy Fanciers is putting on a triple show the end of March. Let's hope for good travel weather and a great showing of rabbits!

4-H is also getting into high gear and I have had a lot of interest from youth looking for meat pen breeders. If anyone has any Californians or New Zealands those seem to be the hot item this year and I would be happy to get you in touch with the youth that are looking. Mesa County 4-H is also putting on their rabbit field day March 7<sup>th</sup> in Grand Junction at the fairgrounds. They put out a ton of information for the youth to learn about breed id, showmanship and care of your animals.

Hopefully everyone has some amazing litters growing and in the nestbox! I look forward to seeing all of you at a show sometime this Spring!

#### BILLY CLARK—MOUNTAIN STATES MINI REX CLUB

To the members of the MSMRC:

Thank you for voting for me as president, I well do my best to hold up the integrity, respect and rules put forth by the club and for the breed to move forward. I would also like to thank Lynn Layne for all her hard work, I don't think any one could do what she has done for the club and I highly respect our BOD for how hard they have worked to keep the club going and growing with new members. Our youth in all clubs need our time and knowledge to keep our hobby going the more they learn about how a show is put on the more fun it would be for them and other exhibitors, so try and take time for the youth. remember that RESPECT for the judges and other people will go a long way to make shows more enjoyable.

Again thank you,

Billy Clark....

#### ROBIN VOGEL—DIRECTOR EAST

I hope this newsletter is coming at a time when everyone has lots of new babies for the upcoming spring show season. Having baby rabbits in the winter is certainly not easy!!

As the spring show season kicks off I would like to remind everyone to please volunteer and help anywhere you can. It truly takes an entire village to put on these shows that we all enjoy. Everyone taking a small "shift" behind the tables or helping to setup/clean up a little bit can truly make all the difference in the world. If you are unsure, please ask, people are always willing to teach you and appreciate the help! Working behind the tables is a great way to learn and truly get a "judges perspective." Another way to be involved is by joining a local club in your area. There are many great location based clubs across the state that I know would enjoy and greatly support new members. New members bring fresh eyes and ideas. We are all in this for the same reason, we need a place to show the animals that we love. Let's have fun and remember to say thank you to those that work so hard to ensure these shows are a success. As adults (parents or exhibitors) we should all set a great example for our upcoming youth by supporting each other and getting involved. If I can help with any questions please let me know!

I look forward to seeing everyone at the upcoming shows! There are also lots of breed national shows in the near future....best of luck and safe travels to all attending any out of state shows.

Robin Vogel

#### YOU'RE INVITED

# **News from SW Colorado and Narrow Gauge Rabbit Breeders**

Narrow Gauge Rabbit Breeders Association had a very successful show in September 2019 at the Sky Ute Fairgrounds in Ignacio, Colorado. This was due to great participation by exhibitors from the West Slope of Colorado and exhibitors from Utah, Arizona and New Mexico.

Due to the exhibitors excitement about the venue and shows, Narrow Gauge will not only host three open and three youth shows June 13<sup>th</sup> but will also have an open Rex specialty and an open Mini Rex specialty. Brian Coates, Shaun Smith and Allan Ormond have been confirmed for the shows with a fourth judge not yet confirmed.

Narrow Gauge will also have three open shows and three youth shows September 26th. Judges for that are also being confirmed.

We hope to see more Colorado exhibitors at our shows.

On another note, the annual 4-H Rabbit Camp will not be held as a three day event this year due to various complications. The hope is to have a one day workshop specifically for youth new to rabbits. Details are still being worked out. Hopefully this will happen on the third or fourth weekend in March.

Please contact Sandy Wade – sfwade@frontier.net if you have any questions.

#### Updates from Southern Colorado Rabbit Breeders Association—Marie Adams President

As to Southern Colorado, yes we will be having our show on **June 6th.** Watch Facebook, RMHS website, and ARBA website for more info once we finally secure a building.

Also, I think we need to be very proud of our Youth in rabbits. The Colorado Farm Show has announced their 2020 Scholarship recipients. And look, we have not one, but two Rabbit kids winning.

Cameron Frantz won a \$4,000 scholarship. Cameron attends Rocky Ford High School and expects to attend West Texas A&M University to major in Animal Science. This is his second year of being President of his FFA Chapter where he has totaled over 600 hours in competitions, community service, and chapter business activities. A three-sport athlete (football, basketball, and baseball), Cameron was also active in National Honor Society, Future Business Leaders of America, and Student Council while in school. He is a nine-year 4-H member where he held various officer positions, participated in numerous community service activities, and took Vet Science, Market Beef, Woodworking, and Breeding and Market Rabbits. Cameron is also a member of Southern Colorado Rabbit Breeders. His parents are George and Peggy Frantz from Rocky Ford.

**Kylie Donovan** won a \$1,500 scholarship. She graduated from Haxtun High School and is now a Sophomore at Eastern Wyoming College in Torrington, Wyoming, majoring in Ag Education and Agronomy. She also is a former rabbit breeder and competed in many local and National Shows with her Holland Lops. Her parents are Jason and Amber Donovan of Haxtun.

This might be a good time to double-check to see where your membership status stands and renew so that you don't miss any sweeps points from Spring shows. I might also note that clubs are to renew their Charter with the RMHS Secretary by February 1<sup>st</sup>. To date only one Charter Renewal has been received.

At this time there are no outstanding bills.

Elsewhere in this newsletter should be candidate bios for the election coming up. Please review these and exercise your right to vote. #### **Platte River Rabbit Fanciers**

We truly hope everyone enjoyed themselves at our most recent show. Without your continued support and help we as a club could not run shows. The big winners were:

Youth A Youth B

BIS - Fuzzy Lop - Adyson Vogel RIS - Californian - Nathan Bomgaars RIS - Californian - Cade Tervort

Open A Open B

BIS - French Lop - Lexie Miller BIS - French Angora - Andi Rupple

RIS - Satin - Debbie Cuvelier RIS - Argente Brun - Mike & Laura Martinez

We wanted to thank everyone who wrote for their breed(s) respectively. Each of you make shows flow smoothly and being behind the table provides you the best view of the entire entry.

I wanted to take this time to help break a bad habit at our local shows. *If you are a show superintendent or secretary please read*. If a show uses comment cards, and they instruct writers to keep both copies of the BOB/BOS cards in lieu of giving the carbon copies to the exhibitors; please refrain from doing this. Why does a show need both copies of the same information? Often exhibitors want their copies and if they don't stick around for BIS, they will never get them. What's most important is that if the original (w/carbon copy attached) goes missing, you now lost the only document that had the key placements on it. If all clubs start to get into the habit of passing back all carbon copies upon the awarding of BOB, then we have a safety net in place if one goes missing.

We are each aware of the increasing costs of running shows and consequently, the rising cost of entry fees. While \$4 may seem like a lot, it isn't the highest in the country nor what it costs to exhibit an animal in Japan or Australia! When I started showing in 1985, show entries were \$1.75, which makes \$4 on pace with inflation over this time period. The past year or more the number of animals being shown locally has decreased. I have witnessed this firsthand and other clubs have shared their numbers. Wouldn't it be an interesting read if RMHS were to publish the show numbers from the current year and compare them to the numbers of the prior two years. I know other state associations do this as a part of their annual reporting.

Please mark your calendar for our Summer Show on August 1st, 2020. Depending on when you are reading this, young kits in your nestboxes will be prime juniors for this show! We are in the process of hiring judges for the show so stay tuned!

Breeding and showing rabbits and cavies is highly rewarding activities. What can you do in 2020 to give back to our hobby and make it that much more enjoyable and educational experience? So if one of your New Year's resolutions is to give back to our hobby, one such way is to join a local All-Breed club. PRRF always welcomes new members. # President

Shawn Layne

11/26/2019

My name is Shawn Layne. I am running for President of Rocky Mountain High Shows.

I am the Facilities Manager for Danfoss/ Editron in Longmont with over 30 years of experience in this profession. As a facilities Manager, I have managed various multi-million dollar construction and remodel projects including the design/build of a sixteen million dollar,132,000 sq. ft. manufacturing facility. My projects come in on time and on budget. I have lead, supervised and mentored as many as 60 employees on a daily basis who were responsible for day to day operations of that facility. I currently manage the facilities and manufacturing equipment maintenance team, as well as the production staff (30 employees), I am also responsible for Environmental, Health, and Safety, HAZMAT, Security, Real Estate, Compliance and Facilities Management.

My wife and I are both military brats. My father retired with 32+ years in service and my father in-law with 28+. If there was one thing that I learned from my dad it was *honesty*, *integrity* & *service*. Failure was not an option in my house growing up. I served in the U.S. Navy and two of our son's served in the military, one of which served in Kuwait and Iraq.

I was Multi-term President of the Front Range Rabbit Society until the BOD closed the club due to lack of membership. We hosted a very successful annual Memorial Day Weekend 2 day show, and one State Convention. I am multi-term director for the MSMRC and also a multi-term director for RMHS. As an organization, our last official duty was to donate our remaining fund (a little over \$10,000) to the ARBA equipment fund.

Lynn, my wife of almost 40 years, and I have 4 children, 3 of which showed rabbits in 4H. We have 11 Grand Children, 2 dogs (also family members) and a bunch of fur babies. We have been in this great hobby for about 20 years nonstop in one form or another. Together we have been showing rabbits for over 15 years. Mostly Mini Rex but Holland's have found their way back into the barn as well. I have been breeder for about 7 years now and concentrate on the Mini Rex Otter's. I am also actively breeding Mini Rex Tan's which one day I hope to see as a recognized Mini Rex variety.

# Director—East

# **Graham Thomas**

My name is Graham Thomas and I will be running for the position of Director East for RMHS

I have recently, as of the fall of 2018, rejoined the rabbit showing hobby. Previously, I showed for 10 years before getting out to pursue school and a career. I have shown a variety of breeds, as a youth my main focus was on Mini Lops. Now, my family has gotten back into the hobby as Generations Rabbitry. My focus currently is on Mini Rex with a small side project of Jersey Woolies. My mother has English Angoras, my sister Tans, my niece and nephew have Mini Rex and Jersey Woolies respectively.

I have been the Food and Beverage Director for a catering and events company for the past 11 years. Putting on and planning events for a living will help me bring that information to rabbit shows. I would like to get involved to help us get bigger, more efficient shows. I am an extremely pragmatic and unbiased decision maker, and believe that my quick, yet accurate, work will help the club stay on track for these goals.

Thank You

Graham

# Sonya Garcia

I am looking to run for West Slope Director. I have been the President of Colorado River RBA on the west slope since it started and show superintendent for the last 3 years. I have also been a 4-H rabbit leader for over 6 years. I enjoy helping out the youth and teaching them more about showing and raising rabbits. I also enjoy attending our shows in Colorado and helping out where I can.

I enjoy being on the RMHS board and look forward to what we can do as a regional club across the state. Let's keep it fun And make this new decade one to remember with friends, fun shows and memories to last a lifetime.

Sonya

#### Director—West

## Mike Martinez

Hello, my name is Mike Martinez and I am running for the position of Director of the Western Slope for Rocky Mountain High Shows (RMHS).

As a child I raised and showed rabbits in 4H for several years and like most kids, I eventually moved onto other activities. I rediscovered my passion for rabbits when my wife and I purchased rabbits for meat purposes in 2011. We raised New Zealand's initially and had a few Mini Rex for fun, but we quickly discovered Rex and eventually Champagne d'Argents. Furthering our love of the d'Argent breeds, we also added Argente Bruns and Creme d'Argents. When I sold progeny of these rabbits I was asked if I showed; when I replied that I didn't they insisted that I should start. My wife and I attended our first ARBA show in May 2018. We were hooked! In our first year we were able to attend five shows. Then, in 2019, we hit the ground running and made every RMHS show except one. We also attended numerous non Colorado shows and showed our support for the Wyoming clubs and our fellow rabbit breeder friends up there.

My wife and I operate M&L Rabbitry in Montrose, Colorado where we are successfully breeding, showing, and improving our Argente Brun, Creme d'Argent, Champagne d'Argent, and Rex. We are passionate about sharing this hobby. In the past two years we have not only gotten new breeders involved with showing at RMHS/ARBA shows, but also have helped many 4H kids by offering advice, mentorship, and quality animals. We will continue to mentor youth and new breeders, especially on the Western Slope.

I personally love to work with the rare breeds, they are challenging and a labor of love. Taking on any rare breed requires dedication and keeping an eye towards the future. With the kind of dedication that it takes to accomplish this, I believe that I can help make RMHS become even better than it already is.

My major goals include implementing concepts to maintain current RMHS, but also to help mentor the youth and keep the fire of rabbit showing alive for them. The youth are the future of our hobby. The only way to guarantee our hobbies future is to demonstrate to our youth the principles, dedication, and most importantly, the love of rabbits that are needed to succeed.

I am currently serving as a Vice President for the WCRBA club (Hotchkiss show) and as a member of the board of directors for CRRBA (Rifle show) and NGRBA (Ignacio show). I look forward to the next year as I will be working with great individuals of these wonderful clubs. Working as a board member of these clubs, it is my personal goal to help additional youth get more deeply involved with this hobby. I also have additional ideas to aid these clubs to boost attendance and profitability.

If elected to the RMHS board of directors, I am confident I will be an asset to our community by continuing to expand Colorado shows. I will personally support RMHS in its mission to mentor youth throughout all of Colorado by expanding mentorship programs and youth access programs. I feel that there is a lack of youth involvement on the Western Slope and this represents a tremendous opportunity for RMHS engagement. Our 4H leaders cannot do this alone- we are in this together. I am formulating a strategy to best accomplish this and I am open to any and all suggestions, please send them to ml.rabbitry18@gmail.com.

I look forward to working with our community at large and I am eager to do so as your newest Western Slope Director.

#### Treasurer

# Debbie Cuvelier

Hi, my name is Debbie Cuvelier and I am running for Treasurer for Rocky Mountain High Shows.

I started out supporting my daughter while she showed in ARBA and 4H but soon grew to love competing and started breeding my own rabbits! I have helped at countless shows and served as the Show Secretary. I have volunteered with the Arapahoe County 4-H Rabbit program for the last 6 years, I am the current Chair for the Arapahoe County Companion Animal Committee, and dog Superintendent of Arapahoe County 4-H. Youth are very important to this hobby and we need to do everything possible to encourage their participation.

I hope I can count on your vote for Treasurer for Rocky Mountain High Shows.

Debbie

Have to keep the youth shows fun and inviting for for kids who are learning. Need to be a stepping stone for kids from 4h. Which means they need a liaison to help with completing entry forms and how the shows work.  12/16/2019 8:43 PM  View respondent's answers Add tags
