WHY TRAIN WITH DONNA? Donna is a National agility competitor who consistently places in national events; a 20-time national agility finalist in USDAA, UKI and AKC. MYTH BUSTERS ABOUT DONNA:

Myth: Donna only teaches Border Collies and only like certain breeds. *Busted:* Come and watch any class and you will see all breeds, large and small! Border Collies are her chosen breed but WOW there are a lot of great agility dogs of all breeds. My amazing students include: All-Americans (mix breeds), Golden Retrievers, Labs, Briards, Miniature poodles, Cavaliers, Briards, Papillons, Rotties, etc.

Myth: You won't learn CPE from Donna. *Busted:* Donna teaches AGILITY! So whether you are interested in AKC, CPE, USDAA, ASCA or any other agility organization, it is all agility and it should always be taught with the enjoyment and safety of the dog.
