Rod and Gun Club, Inc.

Volume 3 Issue 21

2024 Dues Expected by 1 January 2024

The Fob system will continue to be the primary entry method. Please list on the renewal form the Fob number you were issued. Each membership will receive one Fob. Replacement Fob will cost \$25. For 2024, dues will be \$70 for a regular/family membership. For our senior members 65 years old or older as of January 1, 2024, cost remains at \$10. Guest passes cost \$5 for a day pass and can be printed from the club website. Checks with a filled in renewal membership forms should be mailed to the club at:

**Swamp Creek Rod & Gun Club
P.O. Box 274
Zieglerville, PA19492**

Dues may also be turned in at the upcoming general meetings held the 3rd Thursday of each month to John A. Rose, Jr.. Returning members just need to pay this year's dues.

New Membership

Swamp Creek Rod & Gun Club will accept approximately 100 new memberships. Prospective New Members new to attend a new membership course and pass a proficiency test. See website to sign up for the New Member Course: <http://www.scr gc.com/how-to-join.html>

What to do if you have an incident while at the range

If for any reason you have an incident or someone accuses that one of your projectiles leaves the range, you first need to call 911 and report what happened. Ask if a police officer is available to review what happened at the club and give a statement.

Please gather all information related to the incident and write it down. This should include when you arrived, what you were shooting, how many shots you took, who was involved (the someone's above name if they can be talked with reasonably), when you called 911, if you talked with a police officer, and when you left the club. Photos are very helpful showing how you were shooting and what you were shooting at.

Contact the Club President at 610 547-9566. A report by email to webmaster@scrgc.com or by mail to the club is required.

Listed Youth Members May Upgrade to Family Membership

Previously listed youth members may request 2024 Family Membership by filling out a renewal form, sign, and mailing to the club with a check or coming to a general meeting.

Membership Coverage

Parents and grandparents can include their children and grandchildren under their membership provided they are less than 21 years old. The children and grandchildren then can shoot under the parent's or grandparent's membership provided a signed range rules is on file with the club signed by the child and / or grandchild and counter signed by the parents (and club member).

Anyone 21 years old or older, need to have their own membership for insurance reasons. Also, 17 and younger shooters must be supervised by a club member acting as the Range Safety Officer.

Club members can bring guests only if a filled out and displayed guest pass is present with a payment of \$5. Members may bring two guests per day. Special approval needs to be obtained for group teaching / shooting events.

Membership

Swamp Creek Rod & Gun Club will be accepting approximately 500 memberships total. Once we reach this level, only renewing members will be accepted.

This can be adjusted during General Club meetings. It is important to come out and provide your opinion regarding club matters.

Club Is Accepting Useable Outdoor and Indoor Furniture and Building Materials

The club is always looking to improve its outdoor furniture and target holders. Please bring unwanted but serviceable outdoor furniture and building supplies to the club and leave next to the pavilion. The club is looking in particular for Adirondack chairs for the outside and folding chairs inside. We can always use 2x4s and sheets of plywood or similar materials along with wood pallets.

Swamp Creek Rod and Gun Club

Range Rules

General Operation Policies

A signed copy of these rules must be on file with the club before using any of the clubs ranges outside supervised public shooting opportunities.

Club ranges can be used from 9 AM to dusk Monday to Saturday and 12 PM to dusk on Sunday. Only one range may be used at a time. This means that if the Pistol Range is being used; the Rifle Range, Trap Range, and Archery Range are not being used. Also, all ranges are closed during club activities; i.e. General meeting, Club picnic, Hunter Trapper Education safety course, etc. The club reserves the right to temporarily close any range for safety concerns.

Only approved vehicles are allowed on club premises. Owner of the vehicle is responsible for any damage to and caused by said vehicle. As a general rule, vehicles are to remain in the parking lot.

For a member or shooter shooting under a family membership to use any of the ranges, the shooter must obtain a range use card. Use of any of the ranges without obtaining a range use card will be considered an unsafe act and will result in discipline action.

Junior shooters, 17 and under, are required to have direct adult supervision at all times when handling shooting equipment and using the ranges.

The shooter (or adult supervising a junior shooter) is legally responsible for all shots and will be held responsible for any breach of the clubs rules or unsafe acts. The club expects each member to conduct themselves in a proper and safe manner at all times. The club reserves the right to suspend a shooters use of the ranges for unsafe acts and/or expel the member from the club. The club will press for criminal prosecution of any member using the facilities improperly.

When using the rifle and pistol range, all bullets are required to impact the lower half of the backstop. If the shooter believes a bullet may have stuck anywhere else and has left the club property, the member is required to notify the club president and local authorities. Failure to immediately do this will result in expulsion from the club and criminal prosecution.

Full automatic pistols or rifles are not allowed to be used on club property.

When using the archery range, all arrows are required to impact a hay bale, arrow block stopper, or 3D target. If the shooter believes an arrow has left the club property, the member is required to notify the club president and local authorities. Failure to immediately do this will result in expulsion from the club and criminal prosecution.

The shooter is responsible to clean up all trash, including spent brass and hulls and staples/pushpins/tape, after using the facilities.

General Gun Handling Rules

ALWAYS KEEP THE GUN POINTED IN A SAFE DIRECTION.

ALWAYS KEEP YOUR FINGER OFF THE TRIGGER UNTIL READY TO SHOOT, and outside the trigger guard, until ready to fire.

ALWAYS KEEP THE ACTION OPEN AND FIREARM UNLOADED UNTIL READY TO USE. On a firing range this means the shooters are in a position on the firing line and the range has been cleared for live firing.

BE SURE OF THE TARGET AND WHAT IS BEYOND. When on shooting ranges, be mindful also of adjacent areas and act accordingly.

BE SURE THE GUN IS SAFE TO OPERATE.

KNOW HOW TO USE THE GUN SAFELY.

USE ONLY THE CORRECT AMMUNITION FOR YOUR GUN. When at a shooting range with more than one firearm, use one at a time and when finished, store that firearm and its ammunition before using the next one.

WEAR EAR AND EYE PROTECTION.

NEVER USE ALCOHOL OR DRUGS BEFORE OR WHILE SHOOTING.

STORE GUNS SO THEY ARE NOT ACCESSIBLE TO UNAUTHORIZED PERSONS.

Be aware that certain types of guns and many shooting activities require additional safety precautions.

Additional Pistol Range Rules

The shooter will only use paper targets on the pistol range unless prior written permission is obtained from the club president or range safety committee chairperson.

Do not handle firearms when shooters are down range. This includes the picnic benches. Best practice is to bring your gear to your established firing line.

The shooter will be no more than 25 yards from the target holder/backstop when shooting. For pistols designed for greater range, the distance can be increased by obtaining prior written permission from the club president or range safety committee chairperson.

Buckshot is not allowed to be used on the pistol range.

Additional Rifle Range Rules

The shooter will only use paper targets on the rifle range unless prior written permission is obtained from the club president or range safety committee chairperson.

Shotgun slug shooters and Black powder shooters may use the movable bench rests from 25 to 75 yards with prior written permission obtained from the club president or range safety committee chairperson.

Shotgun slug shooters and Black powder shooters are encouraged to shoot from the fire control structure.

Buckshot is not allowed to be used on the rifle range.

High powered rifle are required to be fired from the fire control structure unless prior written permission is obtained from the club president or range safety committee chairperson.

Shooters may not load more than 5 rounds at a time in the magazine of a high powered rifle. The shooter is encouraged to only load one round at a time.

If damage occurs to the fire control structure, the shooter is expected to report the incident immediate to the club president or range safety committee chairperson.

Additional Trap Range and Patterning Board Rules

#7 1/2 or # 8 shot will only be used on the trap range and patterning board. The rifle or pistol range must be used for slug guns.

Buckshot is not allowed to be used on the trap range.

Clay birds maybe thrown by hand or machine.

Additional Archery Range Rules

All forms of archery equipment (including crossbows) may be used provided the shooter has sufficient backstop material setup. If the arrows/bolts penetrates through the backstop material and stopping boxes back, the shooter must take corrective action.

The shooter must stay on ground level when using the archery range. No climbing of trees or buildings, using a ladder, or some other height altering device is allowed.

Special Range Use Permission

Members may shoot 22 rim fire caliber firearms from 25 yards or closer provided a RSO (Range Safety Officer) has been established.

Members may shoot 12-gauge or smaller slug shotguns from 75 yards or closer provided a RSO (Range Safety Officer) has been established.

Members may shoot military style (AR-15, etc) semi-auto rifle from 50 yards or closer provided a RSO (Range Safety Officer) has been established.

Members may shoot steel targets provided a RSO (Range Safety Officer) has been established. The members must be setup the steel targets so that the re-directed projectile will impact a safe dirt area that will function as a backstop. The steel target must be smooth to the touch and free of sharp edges. The members must use suitable ammo for this activity and not ammo which will penetrate the target. I understand this is a higher risk activity and will see that all non-shooters are at least 50 yards away from the active shooter and range officer. I will clean up the range when done and take all steel targets and debris with me and store or depose of it properly. The members accept full financial responsibility for this activity and any unforeseen result.

One may act as their own Range Safety Officer if alone. If more than one, one must be established.

2024 Swamp Creek Rod and Gun Club Day Guest Pass Range Use Form
