1776-1778 Ratified Constitution lawful Bloodline American Native Republic V British democratic Legal Democracy National and citizen immigration fraud

please read about the law .The federal Constitution makes a careful distinction between natural Native born and citizens and Nationals of the United States*Incorporation* (compare 2:1:5 with Section 1 of the 14th Amendment). One is an unconditional Sovereign by natural birth on 48 union states soil, who is endowed by the Creator , the Greatspirit and mother earth with certain unalienable rights; the other has been granted the revocable privileges of U.S.** citizenship and nationals , endowed by the Congress of the United States*Incorporation*. One is a Citizen and national , the other is a subject. One Native is a Sovereign, the other is a subordinate from religious beliefs . One is a Lawful bloodline american of our constitutional Republic; the other is a citizen and or national of a legislative Democratic democracy (the British Vatican contract 1871 civil war federal zone reference to the British

Vatican and king john foreign treaty of 1213 the Devils contract). Notice the superior/subordinate relationship between these two statuses.I don't know how many can hear or comprehend this.... But we lawful bloodline Americans STAND strong, we STAND our ground, we STAND for our rights. Standing is strength, standing is a sign of a Breathing living man and woman, thinking,, Man or Woman. Kneeling and train their bloodline is a sign of enslavement religious worship,...enslavement no rights for freedom

Public Notice , Affidavit of Dishonest including non-compliance by the judge attorneys clerk, all elected and public servants with the 1938 FARA Mandatory filling Perhaps the most important statute here is a largely obscure 1938 law, the Foreign Agents Registration Act (FARA), All "public servants," officials, Congressmen, politicians, judges, attorneys, law enforcement officers, States and their various agencies, etc., are the express agents of these foreign principals - see Foreign Agents Registration Act of 1938; 22 USC 286 et seq, 263A, 185G, 267J, 611(C) (ii) & (iii); Treasury Delegation Order #91 Challenges to Judge: Universal to all cases.

A judge who refuses our law is loyal to some other authority. Ask the "Judge" if he/she is a member of the "STATE BAR ASSOCIATION". If so, challenge the "Judge" under 22 USC 611 as a "Foreign Agent". All "Judges" are lawfully required by 28 USC 372 to have an "Oath of Office". Ask the "Judge" if he/she has an "Oath of Office". If yes, accept the "Oath of Office" in "Admiralty Jurisdiction". Now the "Judge" is subject to criminal prosecution and civil litigation for any injury he/she may cause you. If no, the attorney is not a judge and has no lawful authority to proceed. Your State Representative should be informed by "Petition for Impeachment of Judge". Present the facts of the case, the law is not necessary. Have it notarized and send it by Certified Mail. As we remove the unlawful judges, lawful judges will take their place whereas : U.S. 605

The Foreign Agents Registration Act was first enacted by Congress on June 8, 1938. It required agents of foreign principals to register with the Secretary of State.' '(A)gent of a foreign principal' was defined as 'any person who acts or engages or agrees to act as a public-relations counsel, publicity agent, or as agent, servant, representative, or attorney for a foreign principal * * *.' 52 Stat. 631, 632. (Emphasis added.) 'Foreign principal' was defined as 'the government of a foreign country, a political party of a foreign country, a person domiciled abroad, or any foreign business, partnership, association, corporation, or political organization * * *.' Exempted from the definition of 'agent of a foreign principal' was 'a person, other than a public-relations counsel, or publicity agent, performing only private, non-political, financial, mercantile, or other activities in furtherance of the bona fide trade or commerce of such foreign principal.' 52 Stat. 631, 632. (Emphasis added.) In 1961, the exemption section was amended to 7 apply to persons 'engaging or agreeing to engage only in private 301 and non-political, 302 financial or mercantile activities in furtherance of the bona fide trade or commerce of 303 such foreign principal

Travelers Red lights flashing behind you. by road pirates from the British Vatican government When a cop , police turns on ‘emergency’ lights to stop someone and asks for license and REGISTRATION, and then writes a summons-ticket, executes it and demands one’s bond in the form of an agreement to appear, and then serves the summons, the cop is breaking the laws:

Always 'All Rights Reserved' above the autograph aka signature line (DRIVER LICENSE reads UCC 1-207 1-308 clearly above the signature line)

1) The turning on of lights means an 'emergency' is in effect. The cop wants people to think he is stopping traffic and that the one being stopped is the 'emergency.' Where was the emergency? Nowhere, of course. The cop just wanted to perform a "traffic stop." By doing so, the cop perpetuated several fraudulent actions. a) The cop deceived the one being stopped into thinking there was an emergency. b) Impersonated a government official on emergency business. The cop in reality is a Corpora Ficta employee and not a government employee. He has no authority of a government official at all. There are TWO lawfully excusable conditions for seizing property or People: 1) A warrant of the law. 2) First-hand observation of a crime being committed. This is not just the law. This is constitutionally mandated. The cop needs the DRIVERS License and REGIS tration as prima facie evidence to support the claim of trafficking instead of traveling, if indeed one is not transporting people or property for hire or profit.

2) Cops are only authorized to enforce statute and ordinance, not LAW. Statutes are passed by STATE of Corpora Fictas. Ordinances are passed by City/County of Corpora Fictas. LAW is only the Natural Law, Common Law. DMV is only a corporate Dept. in State of oregon , Ohio ,CA. Corpora Ficta. License and REGIS tration are commercial agreements and not contracts. IFF one of us is not involved in commercial activity then there is no exercise of a privilege that must be licensed and REGIS tered. Licenses and REGIS trations are ONLY required for commercial activity; that means business ONLY. In LAW, people have the right to travel as a part of one's right to liberty and the pursuit of happiness.

3) IFF the cop perceives that one of us may have broken the law or actually infringed a statute and writes a ticket with a summons, the cop is now impersonating an officer of the court, which the cop is clearly not. The cop is thereby impersonating a Judicial Officer. Who in all of America can write a summons to a court unless they are actually authorized to serve in a judicial capacity? Answer: No one else may. 18 U.S. Code section 31----- The term "motor vehicle" means every description of carriage or other contrivance propelled or drawn by mechanical power and used for commercial purposes on the highways in the transportation of passengers, passengers and property, or property or cargo.that means unless you are in commerce(making money to transport people or cargo) .Most of us are not commercial or in commerce,most of us just go from point A to point B.Most of us who are not Corporate Government employees or on Federal Jurisdiction.

NO COP CAN DRAG U INTO JURISDICTRION

"No officer can acquire jurisdiction by deciding he has it. The officer, whether judicial or ministerial, decides at his own peril." Middleton v. Low (1866), 30 C. 596, citing Prosser v. Secor (1849), 5 Barb.(N.Y) 607, 608. "The innocent individual who is harmed by an abuse of governmental authority is assured that he will be compensated for his injury." Owens v. City of Independence, 100 S.Ct 1398 (1980) " ...If one individual does not possess such a right over the conduct of another [Good and Lawful Christian Man], no number of individuals [in a deliberative body] can possess such a right. All combinations, therefore, to effect such an object, are injurious, not only to the

individuals particularly oppressed, but to the public at large". *People v. Fisher*, 14Wend.(N.Y.) 9, 28 Am.Dec. 501

When you been kidnap and held for ransom aka arrested did they take you immediately before a magistrate like the law says???? NO they took you to book you...well guess what that's not proper and you were falsely imprisoned... Check this out... Go immediately to a magistrate (no photographs, no fingerprinting)

"The one arresting has "a duty to immediately seek a magistrate," and failure to do so "makes a case of false imprisonment." *Heath v. Boyd*, 175 S.W.2d. 217 (1943); *Brock v. Stimson*, 108 Mass. 520 (1871). "To detain the person arrested in custody for any purpose other than that of taking him before a magistrate is illegal." *Kominsky v. Durand*, 12 Atl.2d. 654 (1940). "Any undue delay is unlawful and wrongful, and renders the officer himself and all persons aiding and abetting therein wrongdoers from the beginning." *Ulvestad v. Dolphin*, 278 Pac. 684 (1929).

"The taking of the plaintiff's picture before conviction was an illegal act." *Hawkins v. Kuhne*, 137 NY Supp 1090, 153 App Div 216 (1912).

"The power to arrest does not confer upon the arresting officer the power to detain a prisoner for other purposes." *Geldon v. Finnegan*, 252 N.W. 372 (1934).

"Compulsory fingerprinting before conviction is an unlawful encroachment...[and] involves prohibited compulsory self-incrimination." *People v. Helvern*, 215 N.Y. Supp. 417 (1926)
Summary

LAW OF THE LAND: Finally, the Supreme Court

says, "He owes nothing to the public so long as he does not trespass upon their Rights." The Sovereign individual does not have to pay taxes. If you should discuss *Hale v. Henkel* with a run-of-the-mill attorney, he or she will tell you that the case is "old" and that it has been "overturned." If you ask that attorney for a citation of the case or cases that overturned *Hale v. Henkel*, there will not be a meaningful response. We have researched *Hale v. Henkel* and here is what we found :We know that *Hale v. Henkel* was decided in 1905 in the U. S. Supreme Court. Since it was the Supreme Court, the case is binding on all courts of the land, until another Supreme Court case says it isn't. Has another Supreme Court case overturned *Hale v. Henkel*? The answer is NO. As a matter of fact, since 1905, the Supreme Court has cited *Hale v. Henkel* a total of 144 times. A fact more astounding is that since 1905, *Hale v. Henkel* has been cited by all of the federal and STATE appellate court systems a total of over 1600 times. None of the various issues of this case has ever been overruled. So if the STATE through the office of the judge continues to threaten or does imprison you, they are trying to force you into the STATE created office of "person." As long as you

continue to claim your Rightful office of Sovereign, the STATE lacks all jurisdictions over you. The STATE needs someone filling the office of "person" in order to continue prosecuting a case in their Courts. A few weeks in jail puts intense pressure upon most "persons." Jail means the loss of job opportunities, separation from loved ones, and the piling up of debts. Judges will apply this pressure when they attempt to arraign

you. When brought in chains before a crowded courtroom the issue of counsel will quickly come up and you can tell the court you are *In Propria Persona* or simply "PRO PER", as yourself and you need no other.

Do not sign their papers or cooperate with them because most things about your life are private and are not the STATE's business to evaluate. Here is the Sovereign People's command in the constitution that the STATE respect their privacy: Right of privacy -- Every man or woman has the Right to be let alone and free from governmental intrusion

into their private life except as otherwise provided herein. This section shall not be construed to limit the public's Right of access to public records and meetings as provided by law. See U.S. Constitution, Ninth Amendment If the judge is stupid enough to actually follow through with his threats and send you to jail, you will soon be released without even being arraigned and all charges will be dropped. You will then have documented prima facie grounds for false arrest and false imprisonment charges against him personally. Now that you know the hidden evil in the word "person", try to stop using it in everyday conversation. Simply use the correct term, MAN or WOMAN. Train yourself, your family and your friends to never use the derogatory word "person" ever again. This can be your first step in the journey to get yourself free from all STATE COUNTY and CITY Elected and public Servant's control.
