Hi Michele,

You are not a pain at all! My apology for the delay!

Please find attached 2 proposal options for recumbent bikes along with brochures. As with the treadmills, I have included both the Vision and Matrix options. However, the BH recumbent bike is currently on backorder with an ETA of May so, I did not include this option.

Note - if the bike is ordered with the treadmills, the delivery and installation will drop from \$125 to \$50 for the bike.

Please let me know if you have questions or if I can assist you further.

Have a wonderful day and thank you for this opportunity!

Good morning Lori,

I hate to be a total pain but I was wondering if you happen to have gotten a price for the bike.

Thank you,

Michelle Egan | Project Manager
