Embarking on another year

It has been a true honor to be serving a community with such warm, caring, and driven people concerned with nothing but support, spirit, and enthusiasm to make a difference in the Jordan Athletics and Activities programs each year!

We are embarking on our fifth year as a booster club. Our board and many community members act as team reps providing organizational and spirit support to the coaches and leaders of each activity. In this edition you will read about what is new and what we have accomplished once you go ALL IN!!

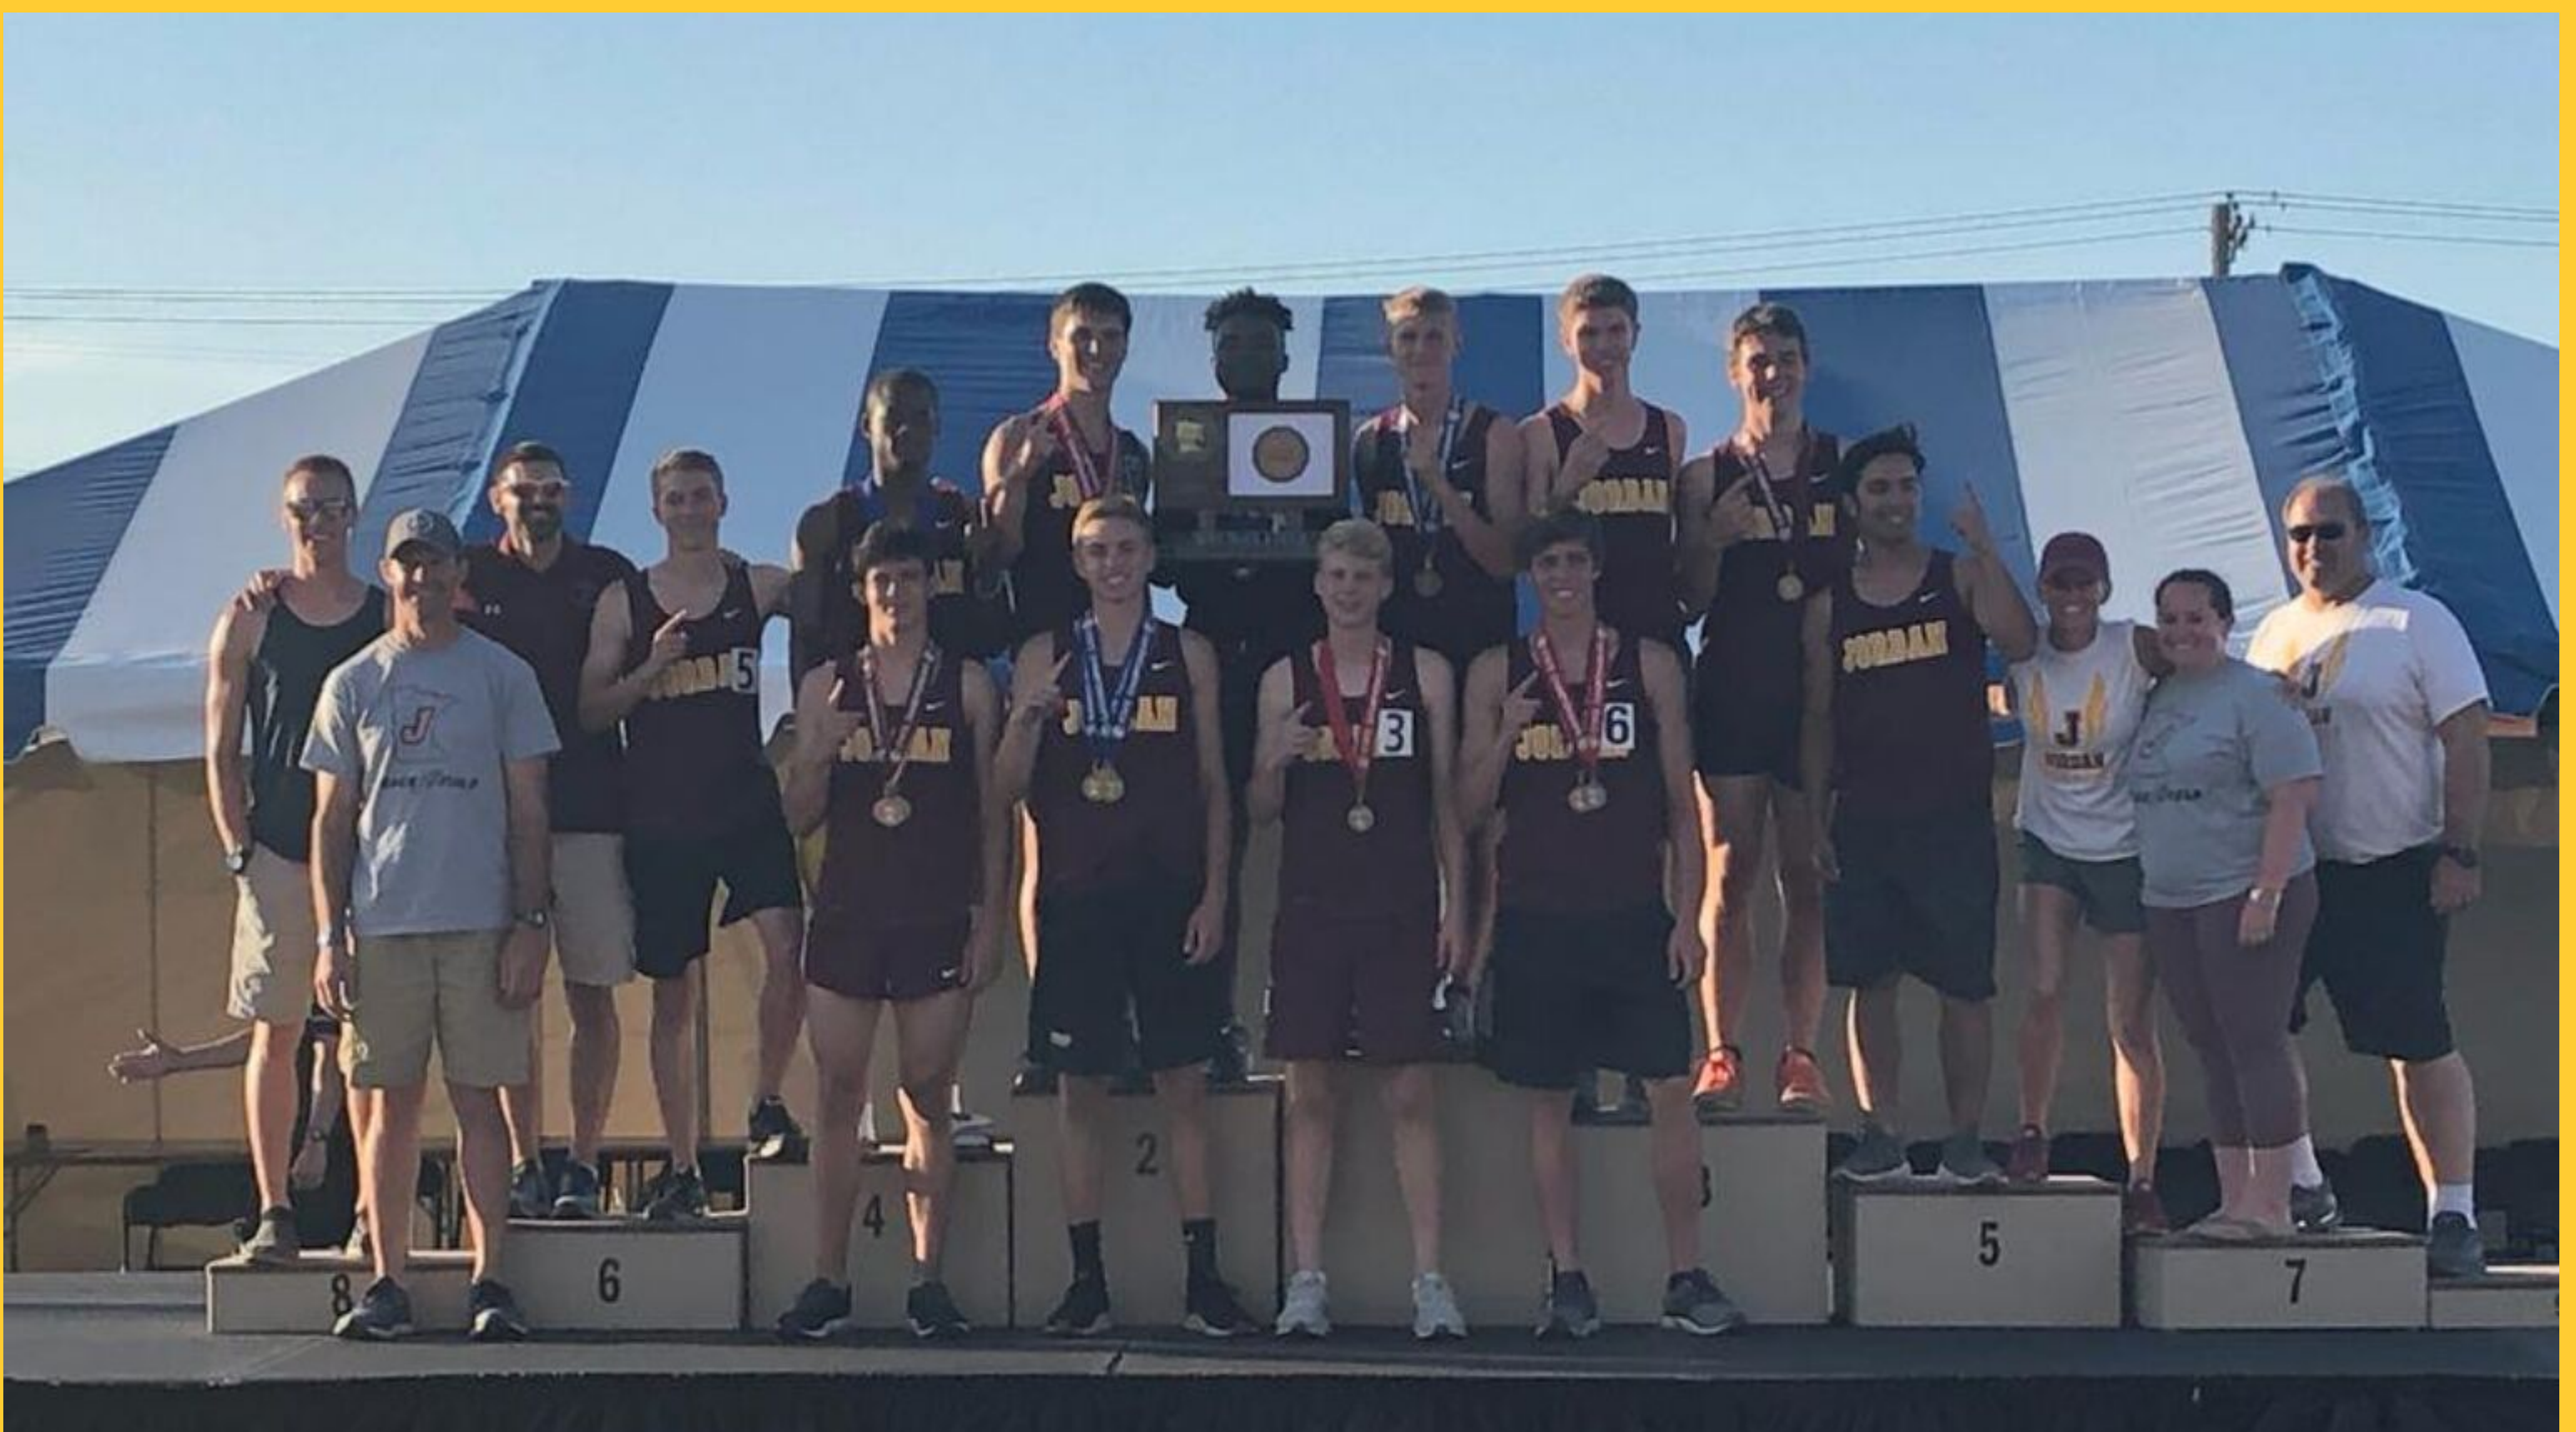

WHAT'S NEW....

GAMBLING!!!

The Booster Club received its State Gambling License last winter and since that time has actively sponsored Pull Tab games at the Jordan Supper Club & Tap Room, the Pickled Pig, and Linsey's BBQ And Grill. Ownership and staff at each location have been highly supportive and we thank them greatly for continuing to support our kids! Proceeds from Pull Tab games have already benefited Jordan students through the funding of scholarships awarded at the end of the last school year.

Renee Hentges has been instrumental in helping to launch the gambling initiative and currently serves as the Booster Club's Gambling Manager. Renee has built a strong team, including Karli Vanderputti and Trey Delamarter have given much of their time in support of this initiative. Recognizing the continuous nature of the work, the Booster Club continues to seek fellow Booster Club members and/or community supporters interested in joining the Gambling team, where you would help in monitoring Pull Tab boxes, ensuring revenues align with sold tickets, and helping to fill out select paperwork. Please feel free to email us at jordanboosters@gmail.com if interested. Also, we encourage everyone to visit the Jordan Supper Club & Tap Room, the Pickled Pig, and Linsey's. While there --- don't forget to test your luck (while supporting Jordan kids) by purchasing Pull Tabs sponsored by the Booster Club!

Love Maroon...Live Gold

Track & Field State Champs

THE MISSION OF THE JORDAN PRIDE BOOSTER CLUB IS TO SUPPORT, ENCOURAGE AND ADVANCE THE 7-12 ACTIVITIES PROGRAMS OF THE JORDAN SCHOOL DISTRICT AND THEREBY CULTIVATE WHOLESOME SCHOOL SPIRIT, PROMOTE GOOD SPORTSMANSHIP, AND DEVELOP HIGH IDEALS OF CHARACTER.

MEMBERSHIPS & CORPORATE PARTNERS....

As with any and all booster clubs, there are ways that we attract members and partners that will play a significant role in raising funds to support and enhance the Jordan School District Athletic and Activity programs. Since inception the Jordan Booster club has always offered a lucrative membership package for individuals and families. We have received such positive feedback each year and the biggest perk to these memberships is the activity passes that you can receive.

We have now added an annual Corporate Partnership program. If you or anyone you know own a business, we encourage you to look at what partnership would be an ideal fit. As we embark on moving into a new conference, there will be many patrons coming to our community that have never been here before. Corporate Partnerships provide the exposure while giving back to a worthy cause to help enhance our programs. You can find all the information on our website at www.JordanBooster.org under the membership tab.
