DeColores,

Well, Walk #65 is over and it was the best walk ever! I know when I left Walk #33 it had to have been the best ever. Each one of us, after experiencing that "Grace" and "Agape" in such a special way had that same feeling.

To ensure that each pilgrim gets to have that Emmaus grace and agape experience we need your help. As you have heard clusters are responsible for organizing our support teams but we still need the whole community's support at each walk.

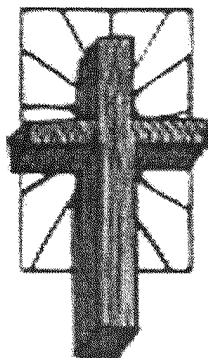

We also need your attendance at our team meetings for training to ensure our pilgrims don't miss any of the Emmaus experience. We hope to see you at the team meetings for the remaining walks this spring.

Glen Pugh  
 Blue Lake Walk to Emmaus #45, Table of Peter

In John Ortberg's book, *Everybody's Normal Til You Get To Know Them*, he writes "It takes people to make people sick and it takes people to make people well." Theologically this is not entirely true. But there is some truth to what he says. I am always shocked and distressed at how great we are at breaking other human beings. In fact there are times when we seem to delight at breaking other human beings. It is no secret that we live in a hurting and broken world that clearly needs fixing.

Emmaus is great way to have a hand in "fixing" the world. When I think back to my own Emmaus walk the word that clearly stands out is healing. Above everything else, healing is what occurred during my Emmaus experience. Of course there are varying degrees of brokenness in the world and obviously there are some folks who need healing more than others. But healing is without a doubt paramount in the Emmaus experience.

The wonderful news for those of us who have been on a walk to Emmaus is that God gives us the opportunity to have a part in the healing experience. Ortberg writes, "for better or for worse we are shaped more by people than by any other force in life. In the same way, more than anything else, God uses people to heal people." God calls us and uses us as facilitators of healing during the course of a weekend. What a wonderful opportunity for us! Each time I work on a walk I am reminded of God's power and presence to take even the worst of situations and literally make them into something good. What an incredible display of the power of God at work!

As you make yourselves available to serve on upcoming walks remember that you are being given the opportunity to bring about healing in a person's life and consequently, in a small way, have a hand in changing the world! What a wonderful opportunity we are given when we serve; don't ever short change the opportunity you are given.

### Walk #66 Scripture Verse

"Come follow me," Jesus said

"and I will make you fishers of men."

### Matthew 4:19

## THE IMPORTANCE OF THE TABLE MEMBER

### WHY AM I HERE, LORD?

- † I'm here to praise God and to do God's holy work here on earth..
- † I'm here to imitate Jesus Christ and to be a window to Pilgrims at this Walk to Emmaus.
- † I'm here to pray and make sacrifices for the entire team and Pilgrims.
- † I'm here to help establish a Christian community by bringing Jesus Christ to these three days and by accepting the gift of the Holy Spirit.
- † I'm here to know the intent of the talks and to help the speaker accomplish it by guiding and directing discussion at the table.
- † I'm here to display Christian discipleship - the love of my fellow human beings, acceptance of other persons as individuals by leadership (not domination) and showing my concern for others.
- † I'm here to display true leadership - not for gloryseeking, but in loving concern; to be a guide, not a counselor; to be a listener; and to be tolerant.
- † I'm here so that when these three days are over, the Pilgrims will be able to say of the team members, "I came looking for Christ and found Christ at my table."
- † I'm here to ask humbly that God's will be done - not mine.
- † I'm here, Christ, to submit my heart and soul to you so that our love will bloom and grow.
- † In all things ask - "What would Jesus do?"
