2017-2018 Election of Officers, Governors, and Trustees

Compatriots,

Included below is your Saramana Chapter slate of nominees for 2017-2018. This slate was submitted by the Nominating Committee (Doug Erb – Chairman) at the October and November meetings of the Board of Governors.

As we all know, Saramana has suffered the loss of several members in the past year. Further, a number of compatriots that have served well and faithfully in years past have requested to be relieved of their duties. Though saddened at their decision, we can do no less than express our thanks and appreciation for their hard work and selfless dedication. The knowledge and experience of these men are foundational to the next generation of Saramana's leadership.

Looking at the slate, you will no doubt notice that there are some positions without nominees. Work continues apace to find motivated and qualified members to assume these roles. The election at the upcoming November 17th luncheon will not end this effort. If you or someone you know would be a good candidate for one of these positions, please forward those suggestions to your chapter president.

Saramana has made great strides and continues to work hard at supporting the goals of the Society. I can't wait to see what our chapter will accomplish as we move forward.

Yours in patriotism,
Steve Fields
