

Viking Laser LLC Sales Terms and Conditions:

1. Upon receiving a Request for Quote (RFQ) the job will be evaluated for suitability. If approved Viking will issue a Quote for the job, Quote is valid for 30 days.
 - a. Appropriate math data files (.igs, .dxf) will be supplied by customer.
 - b. Material and/or parts will be supplied by customer.
 - c. Expedited service is available for additional cost.
 - d. Maximum lift capacity is 5000 lbs.
2. All awarded Quotes will be authorized by customer Purchase Order (PO) (total price on PO must agree with the Quote) **prior** beginning of job.
 - a. By delivering parts to Viking Laser it will be assumed that customer has agreed to the Quote. All job due/promised dates begin once the customer PO is received by Viking Laser.
 - b. All jobs will be customer approved with by-off process prior to production run. All Viking Laser supplied by-off such as CMM is at an extra cost and must be specified on the RFQ, and must be reflected in the PO.
 - c. All by-off parts will be charged.
 - d. Volume discounts are available. However, if volume of parts promised to obtain discount are not supplied and processed due to customer change, pre-discount price will apply to the order or entire order will be billed at discounted price. These decisions are at the sole discretion of Viking Laser.
 - e. All part programming remains property of Viking Laser. All change orders must be in writing and are subject to **Requote** if they require new or significantly changed programming, fixturing etc.
 - f. All scrap remains the property of Viking Laser unless prearranged and specified in the **PO and** the customer removes it from the premises at the time of completion of the job including skids/pallets.
 - g. Laser fixtures remaining at Viking Laser for six months or longer become the property of Viking Laser and are subject to being scrapped.
3. Payments are accepted by **Cash, Check, ACH and Credit Card**.
 - a. All first time/new customers' jobs must be **prepaid**.
 - b. At Viking Laser's discretion terms may be offered to qualified customers, typically **Net 30**, and subject to change. Production work will cease and jobs will be impounded with customers' who are past due.
