

**MADRA**  
MID ATLANTIC DISASTER RECOVERY ASSOCIATION

**Mid Atlantic Disaster Recovery Association  
1989-2015**

**Attention Friends of MADRA**

As a non-profit organization, MADRA is totally dependent on your donations to keep our information exchange going. All we ask is a \$50.00 tax deductible donation per year so that we can continue to provide networking and continuing education credit. Starting November 2015, meetings will be identified as either open to all who wish to attend or closed to those who have either paid the \$50 annual donation. Those who wish to attend a closed meeting and have not paid their annual donation of \$50, we will ask you to pay \$10.00 at the door.

MADRA's goal is to continue providing the wealth of learning and information exchange in the field of business continuity, continuity of operations and disaster recovery planning.

Feel free to contact me if you have any questions regarding this policy change.

Sincerely,

Robert Cohen  
MADRA President
