DESCRIPTION: This is a great looking and performing little semi-recurve. This is a light slim bow that in excellent condition for its age. This one has no delamination; no cracks; limbs are straight. Tips are in great condition. No holes, chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. The limbs have been touched up. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age. When I took it out to the range to test shoot it, I was pleasantly surprised at how well it shot, a lot better than many of my high-end bows.
