COMMITTEE REPORTS:

WATER BOARD: Lamb: Very busy at Rural Water, installed 80 taps in April. Rollin: are any of these taps in Cinnamon Lake. Lamb: not that I believe.

LORCO: Lamb: Also, very busy but moving along at LORCO

FIRE- Rollin: Troy Pitts is the new Assistant Fire Chief, Combs to burn the huge pile at the former landfill on Clark Road under approval and possible assistance of the Fire Department.

SHERIFF- Email from Nicole Osborne asking for any noise ordinances. Lanning replied there are not any noise ordinances in the Township.

OPWC / SWAC: nothing

OFFICE ON AGING- **Motion** by Lamb with a second by Rollin to authorize a letter of support for the Southern Satellite Office on Aging. Roll call: 2 yeas.

CEMETERY- Rollin: no word back from 3 contractors about work for expanding the Cemetery.

ROADS and EQUIPMENT: Rollin: Combs found another hole in a road tile that will need replaced. Received a complaint about sediment washing into driveway on Clark Road where a culvert was previously installed. Also, a roadside bank by Baxter's home needs hydro seeded. Combs is trying to find some quotes on hydro seeding. Tyler Honoshofsky: TJ Denes and / or Mitch do hydro seeding. Frances Rollin: what was done with ditch bank at Elsie Wacker home. Rollin: bank not too steep so it could be seeded.

RECYCLING- Lanning: the 2022 Community incentive grant is application is due by 6/30/2022. Discussion on getting recycling trash receptacles for the Cemetery. The cost of recycled trash containers was too high. Lamb: Could always use recycled aggregate for around culverts. Will get an estimate of cost for application.

EMPLOYEES- Lamb: Robert Bort starts tomorrow. Aaron Ramsey is having some problems getting rides to and from work. He is limited to an 8-hour day because he needs to find transportation.

PREVIOUS BUSINESS:

Lamb: not much more known about the status of the funds for the proposed new garage. The ARPA funds we have and with the Commissioners partnering to double that amount still doesn't come close to being enough. Discussion on building a shell and finishing later or expanding the recycling building. Lanning: the AUP audit is expected to cost \$2,378.00 which is about \$4,000.00 less than the previous full audit.

NEW BUSINESS:

No vote on the Lorain Medina Rural Electric trustee ballot. Lamb: don't know the people running so not voting is probably fair.

PUBLIC PARTICIPATION

Tyler Honoshofsky: Jed stopped by and looked at the ditch and bank at his home. The bank is sluffing off toward the road and needs fixed. Rural Water also came out and flagged the location of the underground water line. Several proposals were discussed including cutting back the bank, installing a catch basin and ditch culvert pipes. Lamb suggested starting with ditch work and see what the slope and grades look like afterward. Rollin: Clint Simonson on Stewart Road also wants a bank cut back and culvert pipes installed. Tyler Honoshofsky: there was ditch and culvert work done by the cell tower on Clark Road last year. A catch basin
