

PIONEER VALLEY INTERSCHOLASTIC ATHLETIC CONFERENCE
Western Massachusetts

PVIAC POLICY

Individual school schedules are due to commissioners as follows:

Fall Schedules by August 1st

Winter Schedules by November 1st

Spring Schedules by March 1st

School schedules submitted after the due date with changes from the master league schedule will be the athletic director's responsibility. It is highly recommended that the schedule be 100% complete prior to sending it to the commissioner.

If a school drops a program after receiving the master list from the commissioner then the commissioner is entitled to full payment from that school.
