The Blalack PTA would like to invite Blalack Families or anyone in the Carrollton Community to host a table that represents your culture. This could be any country in the world, or part of the United States. Your table can have any or all of the following: exhibits with arts and crafts, informational displays, traditional clothing, live demonstrations, or a sampling of a food or beverage that represents your culture. Dressing in traditional clothing of the country you are representing is encouraged. Different groups or individuals can join together to represent the same country or state.

Students—pick up a passport at the front door, visit each table to learn about and experience the different countries and cultures. Get your passport stamped at all the tables and turn it in to your Social Studies teacher for the extra credit!

Blalack PTA will provide:

6' table and table cloth
Extension cords
Sample tasting cups
Spoons
Napkins for your food or beverage,
Passports and stamps for Passports

Event Details:

Table Set Up begins at 4:30 pm
(Enter through cafeteria doors)
Doors Open to families at 6:00 pm
(Enter through the arched C Hall doors)
