MAC/NCAC NAADAC Exam Prep Class

8:30am- 4:00pm

Also Available By Home Study/Independent Study

Our experiential and didactic class will help you identify ways to pass the essential exams so you can get your LAC, CAC II or CAC III as soon as possible. Expand your discipline knowledge with lectures, sample exams, review of the cognate areas, and study resources. The instructor will discuss NAADAC exam components such as brain science, pharmacology, legal and ethical issues, assessment tools, counseling theories, and counseling skills and administer sample exam questions as part of the 2 days of education.

Contact us to register for any of the Exam Preps below at 720-253-4831 or Leslieinstitute@cs.com. The School accepts credit cards, cash, or check for tuition payments. Please pass this information on to colleagues, supervisees, and/or e-mail lists.

CEU's: 14 hours of Professional Development credit for DORA licensure/certification renewal are available from the Colorado School for Family Therapy for this training.
