## MINUTES OF DOCUMENT REWRITE COMMITTEE MEETING 11/29/2023

Members in attendance:

Bob Burrus, Kathy Craven, Jean Ehlman, and Ed Krill

We reviewed the Declaration and By Laws for references to driveways. Decided to add "clearing of trees and installation of driveways" to Section 6.2 thereby requiring homeowners to submit a plan to the Architectural Committee.

Discussed Article V – Powers and Duties of the board and what the standard is for a property owner to maintain his/her property. We decided not to change the language and set forth specific timeframes as each circumstance will be different and we need to maintain flexibility; for example, getting a contractor to work on a home may take longer than mowing grass.

Began our re-review of the ByLaws.

Next meeting will be December 13, 2023

Section 7.

7. Whenever a property owner member maintains his property in a manner detrimental to the best interest of the Association and the Community, the Board of Directors shall give such owner formal notification of its awareness of the condition or conditions. If the condition or conditions are not corrected within a time period deemed reasonable by the Board and set forth in the formal notice, the Board of Directors shall correct the conditions and assess the cost thereof as a special assessment against the property or properties involved.

For each issue, we need to vote to determine:

- 1. Is the property maintained in a manner detrimental to the best interest of the Association and the Community?
- 2. Is 30 days a reasonable time period to give the property owner to correct the condition?
- 3. If the answers to both Q1 and Q2 are "yes", what steps should the Board take to correct the condition?

# Complaint No. 1: 272 Marina Drive (Overgrown Yard + Dilapidated Screened Porch)

#### Status: Letter re-sent this week to address I was provided

- 1. Is the property maintained in a manner detrimental to the best interest of the Association and the Community? **Recommendation: Yes**
- Is 30 days a reasonable time period to give the property owner to correct the condition? Recommendation: Yes
- 3. If the answers to both Q1 and Q2 are "yes", what steps should the Board take to correct the condition? **Recommendation: Spend the winter seeing if the lot owner will engage and remediate before revisiting corrective action in the Spring**

# Complaint No. 2: 72 Wishing Well Lane (Overgrown Yard + Dilapidated Shed)

Issue has been resolved

# **Complaint No. 6: Camper/Trailer on East Highview**

#### I have not yet sent a formal notice.

- If the answers to both Q1 and Q2 are "yes", what steps should the Board take to correct the condition?
   Recommendation: We make one more attempt to get voluntary compliance; if no action taken by next Board meeting (February) we vote to remove the vehicle.

# Appendix

# **Proposed Process Going Forward for Maintenance Conditions/Complaints**

**<u>Step 1</u>**: Board receives one or more complaints about conditions in the neighborhood.

**Step 2:** Informal efforts are made wherever possible to apprise property owner(s) of complaint(s) and convince the property owner(s) to take action.

**<u>Step 2</u>**: Assuming no action taken, complaints are aggregated to be discussed at next Board meeting to determine:

- 1. Is the property maintained in a manner detrimental to the best interest of the Association and the Community?
- 2. If "yes," what is a reasonable time period to give the property owner to correct the condition?
- 3. What steps should the Board take to correct the condition if not rectified within time period?
- 4. Who does the Board agree is responsible to carry out subsequent steps in the process (notification, remediation)?

**<u>Step 3:</u>** Letter(s) sent out notifying each property owner of the Board's determinations and time period for remediation.

**<u>Step 4:</u>** If time period elapses, action taken to rectify the condition.

**Step 5:** At next Board meeting, special assessment(s) levied against each property owner for whom action was taken in the amount of the cost of remediation.
