

THANK YOU !

The Elizabeth Township Sportsmen Association would like to thank the following supporters and sponsors for helping make our training, educational, and recreational facility a success for our township and surrounding areas over the past several years.

Your support will allow our Boy Scout, Cub Scout and Girl Scout campouts, merit badges, archery shooting, CPR and First Aid programs to continue. We will be able to offer NRA First Steps, Refuse to be a Victim, Pennsylvania Game Commission Courses, Red Cross First Aid, CPR, Wilderness First Aid along with self-defense, outdoor survival and various school programs.

Elizabeth Township Sportsmen Association is a training and educational non-profit organization with over 20 certified instructors that teach these programs. Your support and generosity is very much appreciated.
