Dear Sir or Madam:

I would like to take this opportunity to recommend the Baird Building Team to anyone interested in new and/or existing construction projects. We were fortunate to have their team of builders construct our new 8,000 sq/ft National Future Benefits office, located north of Ina off of Oracle, bordering the beautiful Oro Valley Community.

The Baird Builders have shown an excellence in building quality and customer service that goes above and beyond expectations. One service I was most impressed with was their constant concern for our needs and requests. Their team was available to speak with on a regular basis, and if not available they would get back to us immediately.

We were and continue to be extremely satisfied with their building quality and customer service. Without a doubt, we will use their services for our current and future building needs.

Sincerely,

Amy Ludke, Operations Manager
