## About the Founder and CEO

### Bryan Wollam

Bryan Wollam is one of the world's most respected professional in the Petroleum & Natural Gas Industry, known for his unmatched track record of success, desire for winning, partnerships, value propositions for clients, passion to improve the industry and drive to make the world a better place. He is a member of the API Committees that develop the API Specifications and an accomplished professional with broad experience and recognition in operational excellence, quality, reliability, and HSE in multiple industries. He has expertise in leading organizational transformation resulting in profitability and shareholder value. He is also known as a distinguished speaker, effective communicator and trusted advisor to all segments of the Petroleum & Natural Gas Industry.

In his 22+ years in the industry, Bryan served in leadership positions for Fortune 500 companies and as CEO for Wollam Petroleum Advisory Group (WPAG), Wollam Groups and Wollam Auditing Services working with more than a hundred of the world's most successful oil and gas companies. His management techniques, professional training programs and his ability to help clients transform their quality, reliability and safety performance is unmatched. The achievements are considered epic, and as a result, state-owned, international, national oil companies and service supply organizations utilize him for training and advisory services. He sits on boards and committees for multiple trade organization to include API, IACET, and IADC and collaborates with multiple government entities for the applications of different specifications.

Bryan has been defined by his zealous love of teaching and commitment to building leaders that transform organizations. WPAG has created the industry's most coveted training programs, and he regularly teaches these programs. Wollam Groups offers executive education and management training resulting in professional certifications and CEUs through IACET. Bryan is intimately involved in every aspect of the business. As CEO, he interfaces directly with industry leaders and gets to know each client.
