Editors Message: Hello Houghs Neck and beyond. I'm Honored to serve as the President of the HNCC. I look forward to working with the Board members and finding new ways to fulfill the council's mission of building community. The summer has come to an end, but the weather has been great. The 14th Annual ChowdaFest was a huge success. We estimate over 1200 attendees. Restaurants and volunteers from the area & Quincy High School served almost 300 gallons of Chowda. The 2018 first place winner is Cagney's, second place is Victory Point, third place is Fox & Hound Restaurant. Thank you to The Daily Catch Seaport, The Chantey & Victory Point, Port 305 at Marina Bay, Adam's Pub at Best Western, Bernie's General Store, The Fours, The Fox & Hound, The Common Market, Gennaro's Eatery, Cagney's, Tony's Clam Shop, Café Maddie, Craig's Café, The Wheelhouse Diner, The Irish Pub & The Fuji Group, The Tavern at Quarry Hills in Quincy, Wood Road Deli in Braintree. The individual first place winner is John Carvello, second place Tim Kelly, third place is Sal Lorenzano. The individual trophies were made and donated by E&T Ceramics and Eileen Timcoe. The QPD Marine unit gave over 250 people boat rides and demonstration of service they provide. The HN Congregational Church bake sale raised money for McKinney-Vento Homeless Assistance Program. The Scouts of Troop 6 sold burgers, hot dogs, water and soda.. Thank you to Joyce & Gendreau Jewelers in North Quincy for preparing the Chowda Trophy for presentation. Thank you to our sponsors State Representative Tackey Chan, Mayor Tom Koch, Councilor Noel DiBona, Margaret Laforest, Joyce Gendreau Jewelers, East Coast Printing, Red Door Real Estate, JF Auto Care, First Class Plumbing & Heating and Life Community Church. The future of Houghs Neck thank's you in Advance for your Generosity.

Our first home. The kid's college tuition. Our daughter's wedding. He planned for everything.

Including making his funeral arrangements ahead of time. I'm thankful that he took care of the details in advance and saved me the added anxiety of having to make dozens of decisions at a difficult time. And because he paid for his services in advance, my family was not left with a financial burden, but with peace of mind knowing his wishes will be honored.

The professionals of Deware Funeral Home took care of all of the details and helped us plan a fitting tribute to a life well lived.

HOUGHS NECK GARDEN CLUB

On November 7th, the Houghs Neck Garden Club will host Sam Monkern, Grounds Manager and Director of the Babcock Auditorium at Eastern Nazarene College. Monkern will speak to the club on "Functional Landscaping," highlighting the importance of using plants that work together, are functional, and can grow in their specific environment as well as the need for bees, insects, and birds. He will also tell us about the Babcock Arboretum, an arboretum here in Quincy with redwood trees! The meeting will be held in the MWRA Community Room at Nut Island, 2nd floor, 149 Sea Street, starting at 7pm with refreshments and a brief business meeting followed by the program at 7:30pm.

As mentioned in the July issue of the Bulletin, the HNGC was awarded a Quincy Community Preservation Grant for the improvement of the landscaping around the World War II Memorial on the corner of Manet Ave and Sea Street. Work funded by this grant, with Ralph Ames as landscaper, will begin in October. Meanwhile the City has been very helpful. Trees were removed at our request by the Park Department. The Water department put in a water spigot for us and the Traffic, Parking and Lighting department put in a new spotlight.

The Club is a member of the Garden Club Federation of Massachusetts and National Garden Clubs, Inc.

Join us for the 10th Annual Cause 4 Paws 5k road race and 1 mile dog walk on October 14! This family and pet-friendly event will be emceed by Boston25 News' Heather Hegedus and will include many fun activities. Medals will be awarded in multiple race categories.

There will be a costume contest for both our four- and two-legged participants; a vendor fair with over 15 booths; a demonstration by Quincy Police Department's K-9 unit; and a dog agility course for your four-legged friend(s) to complete.

In addition, there will be more than 30 raffle prizes, food, and DJ Mark McGillicuddy pumping out energetic tunes!

We had more than 600 attendees last year and we hope to see it continue to grow this year!

TROOP 6 NEWS

Fall is here, and Troop 6 is in full swing! On September 15th and 16th, we spent an absolutely beautiful weekend hiking in the White Mountains at Crawford Notch in New Hampshire. We hiked up Mt. Jackson and had lunch with stunning views of Mt. Washington and the rest of the Presidential Range. Then we hiked over to the Appalachian Mountain Club's Mitzpah Spring Hut. We dropped off our gear, refilled our water bottles, and most of the Troop then continued to hike up Mt. Pierce for more amazing views. All told, it was nearly 6 miles of hiking with over 3000' of vertical climbs! We spent the night at the hut, enjoying their turkey dinner

and a well-deserved night of sleep. In the morning, we had a nice hot breakfast and then hiked down the legendary Crawford Path. It was a great trip despite a few sets of sore legs on Monday.

Next up, we are joining thousands of other scouts at MassJam '18 at the Cape Cod Fairgrounds over Columbus Day weekend. We are also getting ready for another year of Punkin Chunkin on November 3rd!

If you have a middle school or high schooler that is interested in joining us, please don't hesitate to stop by! We are always accepting new scouts and prior experience is not necessary. We meet on Monday nights from 7-8:30PM at the Houghs Neck Congregational Church.

Troop 6 does a fantastic job of

keeping our program affordable for all scouts, and our bottle and can drives are one of our biggest fundraisers. Our next bottle drive is October 13th from 9-12 in Labrecque Field parking lot. Our bottle drives will continue to be on the second Saturday of every month, weather permitting. Please consider donating your soda and beer bottles and cans to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Yours in Scouting,
Rob Gordon, Troop 6

Dear Houghs Neck Residents,

It was great to see so many people from the neighborhood last month at Chowdafest, which we had perfect weather for this year. Thank you to everyone at the Houghs Neck Community Council, volunteers, restaurants, home cooks, the band and voters for 'best chowda' for their great work in putting together another successful event.

The general election is coming up on November 6th. If you have not registered to vote yet, you must register by October 17th. If you are not available to vote on November 6th, you can apply for an absentee ballot or participate in early voting. You can get voter registration and absentee ballot forms from the Secretary of State's website at www.sec.state.ma.us/e/e/. Early voting starts on October 22nd, Monday through Friday from 8:30am to 4:30pm at the Richard J. Koch Recreation Department, 1 Merrymount Parkway. In addition, there is early voting being held on Saturday, October 27th at North Quincy High School, from 8:30am to 4:30pm. For more information, you can visit the city website at www.quincyma.gov/govt/depts/city_clerk/election. As always, you can also contact my office directly if you need more information or would like us to print information and mail it to you.

The Joint Committee on Consumer Protection and Professional Licensure has held two hearings since the end of session and we anticipate several more before the end of the calendar year. Although formal sessions have ended, the Legislature continues to pass bills in informal sessions when there is unanimous consent. Legislators can file legislation year round regardless of whether there are formal sessions or not. Under the Legislative Rules, a joint committee must hold a public hearing and recommend an action within 30 days of when the legislation is admitted to the committee. The Consumer Protection and Professional Licensure committee is particularly active as consumer issues are ongoing and we receive a large number of special legislative requests from cities and towns, known as home rule petitions. This committee reviews municipalities' requests to have additional retail or on-premise liquor licenses beyond the current statutory amounts. These licenses have a market value, so introduction of new licenses can have a dramatic impact on the value of the remainder; we heavily scrutinize this type of legislation as a result to ensure a fair environment for both new and existing businesses.

I was recently awarded the National Association of Government Employees (NAGE) legislator of the year award. This award is given at their national conference with representatives from each local from throughout the United States. This union represents over 22,000 Massachusetts public employees and over 110,000 throughout the country. NAGE is affiliated with Service Employee International Union (SEIU), which has over 2 million members in North America. The annual meeting is held once every four years where they elect their national officers. David Holway, who is originally from Cambridge, was elected to his 5th four-year term as national president. This is an incredible honor to be recognized for my work in the legislature at a national level.

I wish everyone a happy and safe Halloween!

Houghs Neck World War II Memorial

In the spring of 2018, the Houghs Neck Garden Club received a grant through the Community Preservation Act to rehabilitate the landscape around the World War II memorial across from the fire station in Houghs Neck. American Legion Post 380 took care of the site until the Legion sold its building about eight years ago. After that, Nancy Brennan, a teacher at Atherton Hough planted flowers but mowing and other such activities were done on an ad hoc basis. When she retired, she asked the Houghs Neck Garden Club to continue planting flowers. We have been trying to do that for three years, with little success.

As we became more familiar with the site, we realized that it needed much more than planting flowers. The granite monument itself is in excellent condition but the grounds that surround it are not. We applied for a Community Preservation Act grant and we received \$25,000 to revitalize the memorial grounds, a site of about 2,500 square feet with a granite monument.

Houghs Neck Honor Roll

The granite monument will be the second memorial on the site. The original, wood-framed memorial from the late 1940s listed the names of more than 500 members of the Houghs Neck community who served in the military during World War II. The wooden memorial, called the Honor Roll, was constructed by and contributed to the community by the Lundin brothers, builders in the Quincy area.

Granite Memorial

In 1952, this memorial was replaced by a granite monument, paid for by the citizens of Houghs Neck. The names that had been on the wooden memorial were printed on a scroll that was placed in a bronze box then buried at the base of the current granite monument. The granite monument is made of Quincy granite from Swingle's quarry set upon three polished bases symbolic of faith, hope and charity. The stone was designed and constructed by C. W. Caniff and Sons at a cost of \$2300 obtained through contributions of Houghs Neck residents. The designer was Roger Gervasi, head of designing for the company. It is of highly desirable, very dark granite, considered by some to be the best monument stone in the world.

Garden Club Project

Our goal for this project is to clean up and replant the site to showcase the monument. Working with the Park Department, we had dead and dying trees removed. The landscaper chosen for this project is Ralph Ames of Ames Landscaping. Working with Ralph, we plan to remove most of the existing plantings and add new ones along the back of the monument to hide the fence and along the walkway leading to the monument to draw the eye to the monument and also to remove and replace the hedge surrounding the site.

Last fall there were discussions on social media on the whereabouts of the wooden memorial. To date it has not been located. However, photos of this memorial exist. Leo Ladas gave us a high resolution photo of the Honor roll, taken by his grandfather, John Louis Ladas who was a World War I vet, the father of two WWII vets and one Korean War vet. Using this photo, we were able to construct a spreadsheet of the 520 names it contained. These names have been engraved on bricks and will be laid down to replace the cement walkway there today creating a link between the wooden memorial and the granite monument. The list of the names will appear in the November Issue of the Houghs Neck Bulletin. Work on the site is expected to start at the beginning of October. In the spring we plan to hold a rededication of the memorial. Stay tuned for more information on this.

Fall is upon us and school is back in session. It seemed it was just July, but I guess this happens every year. September is always a busy month as folks adjust from summer mode to autumn mode. It's my favorite time of year. Time sure does move along quickly.

Many events wrapped up the summer though, starting with a wonderful night of remembrance on September 7th at the home of Peter and Maryann Schuerch. As most now know they lost their beloved daughter Victoria to leukemia a few years ago and have initiated a tremendous walk every year in Houghs Neck to raise funds and awareness against this deadly disease. The evening before the walk I was lucky enough to be invited to their home to dedicate a beautiful bench in Victoria's name. This bench sits next to the Schuerch home overlooking the bay. Joe Brill, local Houghs Neck legend and School committeeman /Park and Recreation Board member Paul Bregoli championed this effort. What a great night surrounded by friends, community and most especially family. I grew up with the Schuerch Family and know how strong a family they are and how strong they are for each other. God Bless.

The Chowder Fest roared into town on September 8th and brought hundreds of folks to the Houghs Neck Area. Again the chowder, the atmosphere and the day has become a special event in Houghs Neck. All the contestants and their chowder be it corn or clam were great. Many thanks to the volunteers, sponsors and the Houghs Neck Community Council. See you back there next year !

Most Blessed Sacrament Church had its fall picnic on the church grounds on September 23rd. The parish has been thriving under Fr. Martin and that's a great thing for the entire community. The cookout was well attended and more and more activities and events are being planned/coordinated by the parish. If you haven't met Fr. Martin please make it a point to say hello by stopping by the rectory or better yet visit him on Sunday mornings!!

A quick couple of outside Houghs Neck issues that are coming up or ongoing.

Recently I met with administration about the upgrades to the Sea Street/ Quincy Shore Drive intersection improvements. It seems we are finally there in regards to beginning the widening of that intersection, especially the corner northeast bound at Quincy Shore Drive. The re-vamping of the intersection will involve widening the intersection itself, new lights, islands and an overall facelift which is way overdue. This should really improve traffic flow coming out of Ward 1.

Seawall Design and execution are still ongoing and will be for quite some time. Anyone with any questions or concerns please contact me at dmccarthy@quincyma.gov

Finally congratulations to Mayor Koch and his team on the opening of the Hancock Adams Common. It really is a tremendous improvement for the downtown and the city in general. Magnificent work by all.

Stay safe and God Bless.
