Shire Dialect

A 'Shire' is multilingual and traditional. A Shire uses 2 languages in its administration and education. A provincial (1st) and a local (2nd) Dialect. Dialect is any other language then the Provincial language.

A Shire dialect is selected by using the language of the 1st settlers in the area. Where the 1st settlers language is the same as the Provincial (main) language. The 2nd and 3rd most spoken languages (not main language) go into a Shire referendum.

Each 'Shire' is responsible for teaching and usage of the main language and local dialect. All 'Shire' communications are to be multilingual. Dialect is a Shire Heritage that evolves to a Shire Tradition. Dialect (Tradition) forms a continuation between past, present and future generations.

A '**Shire**' has a dialect name: 'Wiesngau' dialect is 'Bayrisch' (**Bavarian**). Main language is Deutsch (**German**).
