PRESIDENTS CORNER

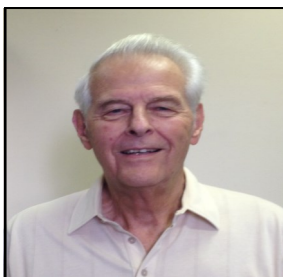

As this Season comes to a close ~
Creciente is getting ready to update
all the common area carpets.

A Wonderful presentation is available
on our Website at :

www.Creciente.com

I thank Mrs. Dee Platt for her hard
work and dedication along with the
Decorating Committee.

I hope you all had the opportunity to
use our new grills located at each
building. For those of you traveling
Back North, I wish you safe travels!

Les Remington

CRECIENTE UPDATES

This summer we will continue to maintain your
home with fresh paint on the curbs and side-
walks and the parking lots will be receiving a
new seal coating.

Another project that will commence soon is
new coatings on the South, North and Pool
roofs. The product chosen gives Creciente a 20
year warranty.

The third week of April will bring the North
building common area hallway with new tile as
we need to repair broken common area pipes.
Also the North building will receive a new meter
panel. The electricity will need to be shut down
for extended periods in May, please refer to
your email for important updates.
