

Fleet Clean Systems are specifically designed for Rental Car Agencies, Auto Dealers, & Fleet Operations seeking either a fleet cleaning workhorse, a value added customer service, or an additional profit center. Our systems are rugged & built to stand up to the toughest conditions. They require minimal space & include pre-engineered plumbing & electrical connections. The Fleet Clean is simple to operate and ensures superior cleaning power with maximum throughput and uptime. Fleet Clean has four pre-designed models, but can be configured to match your exact needs.
