We might not be able to run a month-long featured libation but we sure can offer a house choice when available! Ask your server or bartender what we are offering this evening. We just might spark your interest with a tasty local craft draft or a unique cocktail.

DRAFTS

Quench your thirst with one of our drafts! We pride ourselves in representing a vast assortment of brews. Ask your server or bartender what's on tap today! 5 oz samples are available for \$2-\$4. Our drafts are served in 12-16 oz pours depending on the ABV and price.
