## From the President's Desk:

It's that time of year again, fall is approaching along with the various hunting seasons. Trap, rifle, pistol and archery range use will increase over the next couple of months. Please be mindful of the range rules. Safety first when going down range. Be sure EVERYONE on the range knows you are going down and be sure to turn on the lights and display the orange signal flag. Wearing a bright orange or yellow shirt is a plus.

Members can have up to 3 guests on the ranges, and members MUST display their membership card. Be mindful of nonmembers using the ranges, this is the peak time of year for poaching on the ranges. If someone cannot produce a membership card, simply ask them to leave. If they refuse, you can call 911 to report a trespasser on a firing range, or simple back off, take note of their tag number and call me. Most of all, be nice. No one likes a range grouch.

Relatedly, range closures are noted on the online club calendar. ONLY dates that specifically say a range is closed, is it closed. The ranges are not closed for work days, setups or matches in the back, like the FunShoot.

Membership renewals will be in the mail to you soon. As I said last month, speedy return of those renewals saves a lot of headaches for all.

As always, feel free to each out to me for any reason. I especially want to hear any complaints.

It was fun, smiles all around, especially the kids! We were done by noon-ish. We will have our next funshoot on Saturday October 27th and do it again. The food of the month will of course be pumpkins! And you know what that means.... if you don't come on out and join us. It is sure to be a **BLAST!!!**

## Pistol Committee continued...

### 3 Gun

Well it was a total downpour at our last 3 gun match. 35 shooters braved the torrential rains at the September 9th gun match sponsored by IWI. We were only able to complete 3 stages until the creek got too high and had to call it a day. Blaese Romano won. Prize table for the point series will be at 9am Saturday October 13th at the Trap house. The point series shootoff will be after the prize table around 10am -ish. If you never seen the shoot off come out and watch!!! It is so much fun to see! If you have questions about 3 Gun at our club, email us at [yorksignup@gmail.com](mailto:yorksignup@gmail.com) or see our blog at [www.yorkpistol.blogspot.com](http://www.yorkpistol.blogspot.com). Remember all ranges are closed on this day until around 3:00 pm. Please subscribe to [www.yorkpistol.blogspot.com](http://www.yorkpistol.blogspot.com) to be notified of news and events.

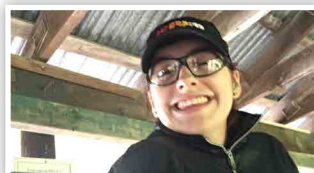

### Head to Head Shoot-Off

We will be doing head to head drag racing with guns. We will have a mirrored stage set up for two shooters to shoot at the same time. It's a lot of fun if you've never done it. You will be able to challenge other shooters to a head to head bout. A bout is the best 2 out of 3 runs. The cost will be \$10 per bout or \$5 per shooter per bout. Make sure you bring plenty of ammo. Here's a video link that's similar to what we are doing. <https://www.youtube.com/watch?v=YE9HSjw6UNU>

On October 13 after the shoot off is finished (around 2:00) we will open the course up to call outs. If you are interested in calling out one of the guys in the top 16, Saturday will be the day to do it because some of them may not come back on Sunday. Just show up Saturday put the two shooters names on the sign up sheet. It will be

done in the order of the sign up sheet. My suggestion is to show up early sign up and watch some of the shoot off.

If you want to signup Sunday the 14th we will start shooting at 9:00. To sign up for the shoot off email us at [yorksignup@gmail.com](mailto:yorksignup@gmail.com) with your name and the name of the person you are challenging. If you want to challenge but have not selected a challenger, just send in your name. Make sure the person you are challenging knows to be there. I will email you with the time of your shoot. If you have a time you prefer I will do my best to accommodate. I'm guessing around 15 mins a bout. Please show up at least 30 minutes early to your scheduled time. You should receive a confirmation within a day or two. We will run bouts until there are no more shooters or 3:00 If you don't want to sign up early and just show up Sunday that is fine but keep in mind we could pack up early if we don't have a big interest or it could be long wait times till your bout. If you have any questions about the events of the weekend email me at [yorksignup@gmail.com](mailto:yorksignup@gmail.com)

# SAVE OUR STREAMS

IZAACK WALTON LEAGUE OF AMERICA

Due to the amount of flooding, we **SHALL NOT** have a Save our Streams Seminar this year. We shall have one in 2019. Bill Stone.

## Save Our Streams Committee

### Trout Committee

On Sept 27th we took on over 14,000 trout, Browns, Brooks, Rainbows and a few Golden's. Thanks to the efforts of a dozen folks working hard on the facilities, we got it done. I am very, very grateful. The fish are doing well. They are hungry, and the mortality rate is low. We have established a feeding crew and schedule. If you want to get involved there is lots to do, and it is an absolute blast! We have had a ball, even on the most trying day, we still laughed, well, some anyway :-}. Please give me a call 717-968-2544.

## Once again we will be holding two Seafood Dinners in 2019

Saturday January 19th  
and Saturday March 2nd.

We are asking not only for your support, but we will need people to help in the preparation of this project. So if you could please help, contact Don Robertson at

**717.873.4171 or**  
**drobertson6966@comcast.net**

### Buildings and Grounds

On Sunday, October 21st there will be a work detail at 1:00 pm, and we'll be trimming bushes and weeds around the grounds. Bring hedge trimmers, string trimmers, loppers and the like if you have them. We will also likely be doing some painting and carpentry. Bring appropriate tools and clothing.

Our last work detail of 2018 will be Saturday, November 17th. These are usually about 3 hours long and are a good opportunity to get to know fellow club members.

Bill Gross, a forever member of the club and judge Tobin award winner, received the prestigious conservation award from our national office at this year's national convention. This award recognizes him for his service to our club in every aspect and activity. Specifically mentioned was his service to our juniors, his incorporation of outdoor ethics and recreation, and 50 years as a Hunter Trapper Education instructor. Well done Bill, and congratulations, it is well deserved!

## Other News

**Orientations** - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three for 2018 and 2019 will be: Saturday, November 3rd, Sunday, December 2nd and Saturday, January 5th. All of these are at 1:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse.

Prospective new members should be reminded that our dues are by the calendar year now. If you join later in the year they are still \$110 per year and only through the end of 2018. We can hold completed applications until January 1st if you prefer.

**E-Mail Request** - Occasionally, there is a need to disseminate information faster than the newsletter allows, and a phone chain for 1300 members is just unreasonable to manage. Recent flood events are a good example.

Please, if you have an email address, add it to your contact info during the upcoming renewal season. We will not share this email with ANYONE, nor will we bombard your inbox with daily snippets and cartoons. This will only be used for urgent matters and committee requests, as indicated on your application.

If you wish to continue receiving your newsletter by snail mail, you may do so, our having an email address will not change that. Thanks

**Renewals** - Renewals will be coming out shortly in the mail. I will set up a date and time to stuff envelopes as soon as I receive them from Nationals. When you receive them, please send the pink copy along with your check. It is much quicker for me to scan your renewal, than to search for it in a list of 1300 folks. And as Gary asked in last month's newsletter, if you can, please renew early. It takes a bit for Nationals to print the new cards and send them to me. Thank you Lisa

me at: 717-993-2900. Also if you take photos of events that happen at IWLA, please email them to me. If you have a new email or changed yours please let us know so we can keep it updated.

Thank you, And Enjoy! — Nancy Webb
