## WELCOME

We welcome you to the Murphy Church of Christ where every visitor is our special guest, and we want to make sure you always remember that. If you are looking for a "family" that will offer you the most important things in life, then why not give us a chance to be part of your family?

**Please fill out a visitor's form and drop it in the collection box.**

Please do not hesitate to ask any of our members for assistance.

**Please join us for Sunday evening service at 6:00 pm.** **First Sunday** is always set aside as a special evening of prayer.

**Wednesday 6:00 PM devotional classes have been postponed until January 6, 2021 due to the uncertainty of the weather during this time of the year. We want everyone to be safe!**

- Please continue to send cards to Wayne and Nell with words of encouragement. Keep his parents in prayer as they help Nell through this difficult time. Wayne is under hospice care and is slowly getting weaker, but he remains in good spirit.

- Sandy Parmer's three friends are positive for Covid-19 virus live in Spanish Fort, AL and she is requesting prayers for Mr. and Mrs. Howard (Betty) Rivers and their son, Rob.

- A friend of Sandy Parmer, David Beck, has had a stroke and has passed.

- Darlene Queen's sister, Tonya Woltermothe, has cancer. Her aunt, Mavis Graves fell and broke her hip and hit her head causing a brain bleed (Springfield, Ohio). Her aunt, Mary Jo Dockery went home to Duckworth, TN. Justin Sutton, Darlene's son, has swelling in his legs.

- Jerry Queen continues to improve after his surgery. Glad he able to join us on Sunday during morning worship.

- Chappie Chapman, former church member, was diagnosed with lung cancer. He remains hopeful. Please let him know we are thinking of him.

Invite someone to worship with us. We all need to feel connected. Let us continue to count our blessings and help those less fortunate during these stressful and uncertain times.

- Mindy Scaffé shared that she has Chronic Kidney Disease. She is in the beginning of stage 3 so that means her kidneys are functioning between 40- 50%. She is okay to go out and be around people - she must keep her mask on.

- Gail Garland is still visiting with family. Her next stop will be in South Africa to see her two-month old grandson who is slowly showing signs of improvement after surgery. We continue to pray for a safe visit and a safe return to her home in Georgia.

- Mark Sanders, (Lee Sander's cousin), please add him to your prayers. He had a heart attack and had to have stints put in.

- Lee Sanders broke his foot Tuesday, December 1<sup>st</sup>. Surgery is scheduled for January 6, 2021.

- Ute had surgery to remove the metal plate from her foot because of repeated infection. She said it feels better but it will be a long term recovery.

- Melvin Ryan is a diabetic and the wound on his foot is not healing well. Wearing shoes is painful at this time.

- Chris Moore who sings in Roy's barbershop singing group and his family are being tested for Covid-19.

- We are all in need of prayers as we manage our daily lives during these uncertain times in America and around the world and personal health issues.

**REACH, Inc. – Community Project**

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. **Please do not forget them when you are out shopping.** If you have items of clothing (clean and in good condition), children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9”X9”. Put them on the table in the pantry and we will fill them as time permits. **Please contact the Thrift Store if you have furniture you want to donate and arrange pickup.**

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

**Pantry Items**

We need your help to restock our pantry. If no family or individual has made a special request; then, at the

end of each month Lula pulls items off the shelves and take them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen a three-fold increase in need during the COVID-19 pandemic and increase in unemployment. **NOTE: We give out food only if someone is here when an individual comes to the church or special arrangements have been made to meet someone.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. They have requested empty dozen size egg cartons so they can divide the large crates of eggs they receive from other organizations and from people who raise chickens.

**Toys for Tots**

We will start collecting in October for the 2021 campaign but if you see something you want to donate put it aside and continue shopping throughout the year.

For the 2020 Cherokee County campaign Toys for Tots gave out 1088 toys. None of this would have been possible without you.

If you wish to continue to donate throughout the year or get more involved contact the local coordinator for Cherokee County, Barbara Hudson at barbarahudson727@gmail.com for more information or visit the Toys for Tots website.

We can never have too many toys and they can always use the money to help supplement the toys donated.

**Wayne’s Outreach Ministries**

If there are folks who would like to participate in the prison ministry, please contact Nell, she can share contact information with you. Wayne was the only person that some of these men had reaching out to them. They are sending some amazing words of encouragement as well as telling Wayne about the positive impact he has been on them. At Wayne’s request, Nell will be continuing to correspond with some of these men since they truly have no one else. Let her know if you have any questions.

Wayne was also active with World Bible Study and had several people he was corresponding with. If you need help getting started with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy Stephenson.

**6:00 PM Wednesday Bible Study**

**Classes have been postponed until January 6, 2021.** Roy Stephenson began this October a ten-week Wednesday night series devoted to a study of the Holy Spirit. Topic series include – God in Three Persons, Receiving the Holy Spirit, Walking After the Spirit, Empowered, by the Holy Spirit, Grieving the Holy Spirit, Spiritual Gifts, Misconceptions About the Holy Spirit, and The Holy Spirit – Then and Today.

## Are You Ready for 2021?

## *Waste Not a Single Hour*

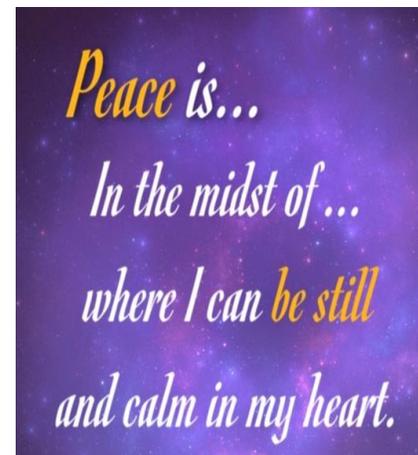

Yesterday is a reminder of days both good and bad, The trials that taught us lessons and good times we have had The future still is waiting as a dream awaits the night To become a reality before the morning light.

The past may bring us memories to treasure through the years, And the future keeps the dream alive despite our doubts and fears. But, oh, my friend, we have today to live, and laugh and cry... A day our Lord has given That soon will pass us by.

*"Thank the Lord for little things for they can surely grow into the greatest treasures that you may ever know."*
