

INTERNATIONAL SOCIETY OF AUTOMATION (ISA)
Delhi Section
Petroleum and Power Automation Meet -2019

CALL FOR TECHNICAL PAPERS

Dear Sir / Madam,

After grand success of Fertilizer Meet-2018, ISA Delhi Section is pleased to announce conference and exhibition focussed on

“Innovative Automation for Safe & Reliable Operation”

in the Energy Sector titled **“Petroleum and Power Automation Meet – 2019”**, being conducted **on 3rd- 4th May’2019** at **Hotel Taj Palace, Sardar Patel Marg, New Delhi**. This is a unique automation show in the country with a focus on Automation technology for the Petroleum and Power Industry in India.

ISA Delhi section welcomes participation by Automation Professionals from various Energy Sectors for Technical Paper presentation in Petroleum and Power Automation event.

The Paper must be related to a Topic on Automation / Control applicable to Petroleum and Power industry supplementing the theme of the event “Innovative Automation for Reliable & Safe Operation” and Case Studies emphasising end-users perspective in the area of Automation / Control.

We seek your participation in the event by presenting a **Technical Paper / Case Study /Work Shop** on a topic encompassing the theme.

The Conference will cover the following Topics:

- ❖ Emerging Trends and Developments in Industrial automation -
 - AI, IOT & Data Analytics in Automation & control.
 - Efficient Plant Asset Management.
 - Futuristic Automation complementing Industry 4.0.
- ❖ Smart Automation solutions in energy distribution to end users -
 - City Gas Distribution.
 - Electrical Energy to Consumers.
 - EV Charging Stations.
- ❖ Emerging Needs and Requirements of Industrial Automation -
 - Customer Perspective.
 - Case Study by Industry End Users.

B-45, Sector -08, Noida, UP -201301, Ph. 011-41759416, Mobile no. + 91-9313384543
