

Grid Showers | Custom Frameless & Slider Enclosures

Once a design trend, mullioned shower doors have proven themselves to be a modern classic. Adding mullins or grids to a frameless shower or sliding doors provides a touch of flare in custom shower design. Fully custom grid lines are designed for your shower's unique configuration. Virtually limitless in size and layout, creating your sanctuary space means looking at your bathroom through a new lens. Mullioned frameless showers & sliders fit beautifully into new construction projects, but are equally at home in bathroom renovations.

Product Details

- Custom width sizes; virtually no limitations
