Seeking Information...

Society member **Benita K. Black Moore** requests your help:

I am seeking information about **Adelade Black**. She was 11 years old in the 1850 census. Her parents were **Willis** and **Emilla (Hensley) Black**. Her brothers—just older than she—were **James A.** and **Joseph Frank Black**; and a younger brother was **Thomas E. Black**. Adelade was not shown with the family in the 1860 census. Did she die, or did she marry and thus evade detection? I cannot find her. If you have any information, please contact:
