February 2- February 8

Monthly Tuition Due—will be charged to your preferred method of payment on first lesson of the month.

February 3- February 7

Parent Viewing Week—during the last 10 minutes of your student's class. Feel free to take videos.

Costumes

If you have not paid for your dance costumes, you need to contact the studio to set up a payment plan. Your student will not be able to take their costumes home until they are paid in full.

Class Attendance

Class attendance is extremely important right now as we are starting our recital dances. Our studio policy is that each dancer is allowed to miss 10 dance classes and is then required to sign up for private lessons. Please make every attempt to be here.

Where to Wear Your Dance Shoes

Your dance shoes are not meant to be worn outdoors. This is where you wear your street shoes. Street shoes need to be worn both to and from the studio and then your dancer needs to change into their dance shoes when they get here for class. This also includes all Hip Hop shoes as well.

Father/Daughter Classes

This class starts February 7th, 2020 at 6:30 p.m. We like to think of this as a fun way for Dad's to get involved in our sport of dance! Many of the dancers see this as their date night with their dad.

All Dancers - in classes Kindergarten or older are invited to this class. Cost is \$100 for the first dancer and \$50 for each additional dancer. There is no charge for dancing dads. We will talk about what will be needed for costumes as the class progresses. Please enroll online for Father / Daughter Class in your parent portal or sign up at the front desk. Payment is due upon enrollment.
