

*"The reason we decided on the Hankinson Community Center to have our wedding ceremony, reception, and dance is because of the beautiful large and open space. It's definitely not your typical community center as it is newly renovated and looks like an actual wedding venue once everything is set up. There was plenty of space to get ready and for plenty of guests."*  
Kelsey Nelson, Hankinson, North Dakota

*"Just a short drive from Fargo, the Hankinson Community Center is the perfect place for your wedding. No matter what your budget, the community center is the perfect reception venue. It can be set up for any size wedding. I'm so glad we chose the Hankinson Community Center."*  
Megan Bilben, Fargo, North Dakota

*"When we started planning for our wedding, we were looking for a venue that would accommodate the size of our guest list as well as meet our needs and wants. When we toured the HCC with Angie, we knew it was the place for us! It had the perfect mix of rustic charms and endless possibilities. There were certain elements that we really wanted in our ceremony and reception, and we were able to have them all. Everyone was so friendly, helpful, and really went above and beyond what we expected to help make our wedding day perfect! The affordability of the HCC gave us a lot of flexibility with other areas of our wedding planning budget!"*

# HANKINSON COMMUNITY CENTER

*Wedding & Event Venue*

## ABOUT THE COMMUNITY CENTER

The Hankinson Community Center, which opened its doors in 2011, is owned and operated by the City of Hankinson. Hankinson is a community of 1,000 people just off I-29, about an hour south of Fargo, near the Minnesota and South Dakota borders.

This beautiful event venue is a perfect mix of historic and modern. It was created by renovating three historic Main Street buildings and adding a new structure to form a facility to accommodate both large and small events. Special care was taken to protect the exterior Main Street facade and restore many of the original features of the buildings including exposed brick and tin ceilings.

It was made possible with the help of many community volunteers and donors who contributed thousands of hours and hundreds of thousands of dollars to this project.

The Hankinson Community Center is the perfect backdrop to create your dream wedding. From intimate and cozy to queen size and grand, timeless or trendy, it is a unique venue for your big day.
