

Student Conduct

All students are expected to comply with NW BOCES regulations, as well as other commonly accepted standards of good behavior and to learn behavior patterns which will enable them to be responsible and contributing members of society.

Students will be expected to conduct themselves in keeping with their level of maturity, acting with due regard for the supervisory authority vested by the Board in all NW BOCES employees; the educational purpose underlying all school activities; the widely shared use of NW BOCES property; and the rights or welfare of other students. All employees of NW BOCES will be expected to share the responsibilities for supervising the behavior of students and for seeing that they abide by the established rules of conduct.
