## Camp Goals

*It is the goal of our coaching staff to help each player gain confidence and develop effective practice habits needed to improve their skills. We feel that we have a great responsibility to this age group. This group is very special and will receive personalized attention and training. Learning proper technique and valuable leadership skills at this age is very important but our staff never forgets "football is a game." While still making camp fun, our veteran coaching staff will step it up a notch each day with more advanced training.*

*For campers that have more experience in this level, coaches will work with players on more advanced technique training on both offense and defense. We take pride in the number of players we have helped to make and contribute to their youth league. Our high school level coaching staff will intensify the instruction in all phases of the game with positive, enthusiastic instruction and more advanced technique training.*

## Head Coach of the SUMNER SPARTANS

## INSTRUCTION

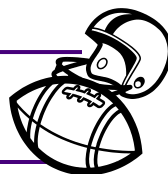

Camp instruction will be directed by head coach Keith Ross and the football coaching staff of Sumner High School as well as current Sumner High School football players.

Coach Ross has been a coach for over 20 years, two years at Enumclaw High School, two years at Central Washington University and eighteen years at Sumner High School. The 2016 season will be his sixteenth year as head football coach of the Spartans.

He is committed to building champions on the field, in the classroom, and most importantly, in life.

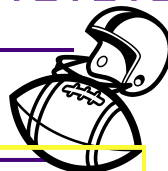

Our camp coaches stress the development of football fundamentals through non-contact sessions. Our staff was selected because of their knowledge of the game, devotion to football, desire and ability to teach young athletes.

Players should wear a jersey or t-shirt, shorts, bring or wear tennis or turf shoes and a bottle of water.

## Tuition

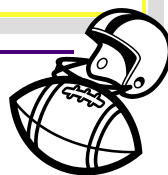

The total cost for the 4 day session is **\$70**
