

# Laser Therapy

## Testimonial

Patient: FRAN (Last name not given for privacy)

Sex: Female

Age: 71

Fran started coming to our office with knee pain, hip pain and lower back pain that was effecting her ability to do her 5K races. After Laser Therapy Fran states “I am not on any pain medication and I Always feel better after my Deep Tissue Laser Therapy”

“I have more energy and overall feeling of wellness. I am able to take trips, I have done 3, 5K Events, one that I did with my two grandchildren.”

“With Dr. Tom and Dr. Jennifer I feel I have a geat team that is on my side!”

Referring your friends and family, and trusting us with those that you love, is the nicest compliment possible!
