Here is what some of our customers have to say:

'Cool-Lite has continued to impress me with their ability to support our facilities custom retrofit projects and alternative lighting needs. I wouldn't hesitate to recommend them to anyone looking for a turnkey lighting solution!' Chris Kiesman Google. Mt View CA

"The LED lights on the ceiling have provide tremendous brightness to our indoor swimming pool and enhanced visibility of the water. These changes have improved safety by increasing the ability of our lifeguards and instructors to effectively conduct surveillance of students and other pool users in the water at the CCSF Swimming Pool." Phong Pham [San Francisco City College](#).

"Cool-Lite provided an affordable LED retrofit kit that was extremely affordable compared with the purchase of a completely new LED fixture. It also provided the additional benefit of being customized to the existing fixture housing so that it matched perfectly." Bryan Burkhart [ALFATECH San Jose CA](#)

"We had some decorative street lights converted to LED that were not working do to moisture. The company that put them in just made their own kits. It is great being able to contact a company who was able to deliver a solution to a problem. Peter was great to work with, he analyzed my problem, custom built the LED fixture, gave the City of Lemoore a fair price and delivered them as promised. It's nice to know that I Cool Lite to provide a valuable solution!" Ray Greenlee, City of Lemoore, CA
