---

**CALL TO ORDER:** Chair Jerry DeBruin called the regularly scheduled Education Committee meeting to order at 1:40 pm.

---

**APPROVAL OF MINUTES:** July 2018 minutes, stand as written

---

**REPORTS:**

***North Region***

Paramedic skills for practice-upgrades for practice

Dr. Wayne presented a report on Nitrous Oxide. Inexpensive alternative to narcotics

Working on cleaning up EMS handoff at hospital: 30 second shut up, report, then transfer.

N. Region is pushing this as a new way to handle the handoff.

***Funding:***

Airport AHA Kiosk costs around \$125000 annually to maintain.

Members would rather see Community CPR and PulsePoint pushed out

North Region grant request idea: Stop the Bleed

Will need to train the instructors in area to go out and teach Stop the Bleed at areas of mass congregation. (schools, malls, theatres, churches)

Grant would be used for training kits/supplies. It would most likely be less expensive to make own kits.

North American Rescue will build a kit how you like and will provide a link to give out to businesses/schools to purchase. Need to research prices.

Arm and leg wounds would be nice to have to practice on.

PulsePoint activate it\_ need background check people....

PR for PulsePoint: Medic One foundation at no cost

Kickoff event

Training kits (5) for around \$500  
Should \$1000 training kits  
\$1000 PulsePoint push out

Ask for \$5000 to have cushion and be able to pull back  
Jared and Mike Hilley will work on PulsePoint grant and council will do Stop the Bleed

**Training Officers Report:** no report

**CQI:**

Dr. Wayne wants to up CQI at BLS level. On a stroke call a patient with no blood pressure and minor stroke symptoms was left at home. 2 problems: Didn't fill out form and left patient at home. Bring topic up to the CQI Committee.

**TAB:** No report

**Hospital:** No report

**Old Business:**

SGA training reimbursement will be 100% for most agencies. WCFD 7 and NWFRS will receive around 50%.

Still have not received invoice from WCFD 1 & WCFD 16

**New Business:**

Members agreed to purchase the ASHI Babysitter course-\$75.00

The ASHI Training Center will be for affiliated people only

Burn class-Doug will follow up on

A one day seminar on burns is needed. Certification is not needed.

Airlift NW wants to start doing training again. Suggest the topics and they will provide the instructors.

ImageTrend training and what we can do to help with that.

Agencies to get trained and start up with

Website -education portal into ImageTrend

Peer Support- should send/forward email to all responders or just to chiefs?

**Good of the Order**-none

With no further business the meeting was adjourned at 3:20 pm
