

16' Ticket / Vending Trailer

This 16' trailer is the perfect event sales unit. The side window is 7' long and the door folds up to make a shade. Inside there is a fold up desk high shelf to work from and it comes with two office chairs. There is another desk high counter across the full width at the front. In addition to the man door on the side there is a fold down ramp rear door as well. It has two axles and tows easily with a 2 5/16" ball.

Optional electric heaters, propane heaters, fans or swamp coolers are available.
