February is a month filled with LOVEly events at the library! While we still can't hold large events, we can still have fun.

Adults, cozy up to a good book with our Blind Date with a Book event. You won't know what book you are getting, but we promise the adventure will be worth it. You might just discover a new soulmate!

Can you find a Valentine? We aren't talking about asking your crush to be your Valentine, but instead we have hidden Valentine hearts around the library for you to find. The color of the heart you find will determine the prize!

Show your love for the library by filling out a Valentine to the library and having it displayed along the front of the reference desk.

Stop in and visit our "kissing booth"! No, not a real kissing booth, germ swapping is icky! We will have Hershey Kisses in a jar for each patron to guess how many kisses there are. The closest guesser without going over will get all the kisses, this year. The "Kissing Booth" will go all month long!

The Mulliken Library Friends has put together a very special Valentine's event for the community this year! For \$25 you can purchase a Valentine's gift basket, equipped with chocolates, your choice of wine, 2 roses, and a personalized card. The final day of gift basket orders is February 9th. Ask the library staff, or visit the Mulliken Library Friends Facebook page for more information.
