Grab & Go Subs is BACK in Little Italy!!! Located inside Mimmo's.

A short history : Grab & Go subs was born in the 1980's here in Little Italy, San Diego. In the small store front deli of Mimmo's Italian Village, as Little Italy was starting to grow, Mimmo noticed that the construction workers in the area needed a quick bite to eat. He noticed they were ordering the same sub on a daily basis. Mimmo decided he wanted to increase his efficiency and speed and started to make this commonly ordered sub in advance. He had that sub ready for them to come and pick up, this is where the "Grab & Go Sub" was born. Yet Mimmo never sacrificed the taste, always using fresh local vendors, and only high quality homemade baked bread free of preservatives that he baked fresh daily. Today we continue to make the bread the same way and now the next generation is operating every store to make sure that our shops stay the locals' favorite sandwich shop.
