PRESIDENT'S LETTER

FREE BEER

Now that I have your attention, hello.

I'll start out by reminding everyone about the upcoming FISH FRY March 28th. For those who have attended previous fish fries, you know just how much fun these events really are. For those who haven't yet been exposed to such a festive occasion, allow me to shed a bit of insight: BEER, great food, BEER, gambling, BEER, prizes, and of course BEER. All you choose to partake in for a measly 7 bucks. If, however, you are a last minuter, like yours truly, it'll be 9 bucks at the door. This is really a great time and I'm sure you'll be glad that you participated, or volunteered (and save even more by getting in free!!).

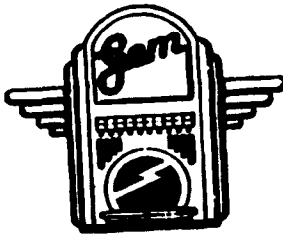

Moving on, I would like to welcome your newest board member, Jen Kazee. Jen has replaced a valuable member of the board, Jeff Keller. What Jeff brought to the table was enthusiasm, knowledge and the desire to see steel darts excel. I believe Jen possesses the same characteristics and will not miss a beat when taking over for Jeff. Once again, welcome to the board, Jen!!

Serious time, BOOOO. We have had some questions and concerns regarding scheduling. Enclosed in this newsletter you should find an article – or rather a policy – that we try to follow when we schedule teams in the appropriate divisions. Usually this works, sometimes it doesn't. Now believe me when I say that scheduling is the least desirable task this board deals with on a regular basis. It seems that no matter how much effort, logic, or magical potions we put in a scheduling session, there will always be one or two or seventeen teams that do not agree with our decisions. I only ask that before anyone gets upset, that they try to evaluate the decision from the DDA perspective and what is best for the entire league.

One last bit of info, I made a mistake at the captain's meeting regarding when fees are actually due. I said that teams have 3 weeks to get the money in. Upon further review, that ain't the case. You have until the first week to submit the appropriate amount, after that points will not accumulate. I am sorry for the bad info and hope this has cleared it up. No points have been deducted this season, but this rule will be enforced beginning with the summer league, so please take note.

I look forward to seeing all of you at the upcoming FISH FRY, March 28th.

See you soon and throw well - STEVE WARREN

The first ever, Steel/Electronic Tournament!

Saturday, April 11, 1998

at The Sanctuary

6664 Brandt Pike, Huber Heights, 233-8171

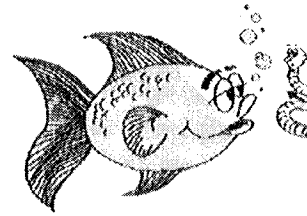

Must be a current member of either the Dayton Darting Assoc. or Gem Music & Vending to participate in the event.

\$5/per person. Total payout, \$50 added per event. There will be 5 events, all doubles. The events will be: A Doubles, B Doubles, C Doubles, Womens Open, and Mixed Doubles. Ranking in the A thru C events will depend upon your current standing in either association.

The format will be: 1st game on electronic board - 701 open in/double out, 2nd game on steel board - cricket. If tie-breaker is required, it will be determined by a coin toss, the winner of coin toss will chose the board, the loser of coin toss will chose game, with the following options: 501 open in/double out, cricket, or 301 double in/double out.

Flyers will posted with times and entry deadlines of each event, along with further details. **So be on the lookout!**

A word of caution, steel darts will not be allowed on the electronic boards, but electronic darts may be thrown on the steel boards.

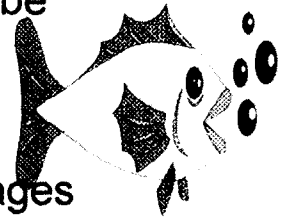

Fish Fry Monte Carlo

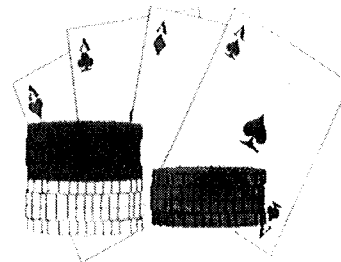

Saturday, March 28th

Your favorite chef, Ken Matlock will be providing the entrees. An excellent meal will include: fried cod, baked dinner sausage, wings, french fries, baked beans and cole slaw. Beverages of soft drinks and draft beer are included for the evening.

Expected gaming will consist of blackjack, seven card stud, showdown, over and under, chuck-o-luck wheel and instant tear-offs.

THERE WERE TWO RECENT EVENTS. NOVEMBER 18, THE BIG SHOTS WERE TOM POLIQUIN AND HEIDI CUSTER. BOTH STOOD THEIR GROUND VALIANTLY, PROVING THAT THEY ARE INDEED BIG SHOTS. BRAVO TO THE TWO DARTERS WHO BESTED TOM, GLENN JULLERAT AND DICK YINGER. ALAS POOR, POOR DICK, WHO STILL CAN'T SEEM TO GET THE BEST OF HEIDI. PRESSURE! HEIDI WAS IN GOOD FORM, ONLY LOSING ONE MATCH TO DAN MURRAY. CONGRATULATIONS!

ON JANUARY 27TH, THE BIG SHOTS WERE RICKY 'D' DAVIS AND LIBBY STAUB. RICKY 'D' ALWAYS PROVIDING EXCITEMENT WHEREVER HE GOES, WAS EXHIBITING SOME TALENTED DARTS, THROWING A COUPLE 810'S IN SOME VERY CLOSE MATCHES. KUDOS TO JOHN BAGFORD AND JOHN BLACK FOR EACH TAKING A MATCH FROM THE MAN! JOHN BAGFORD REALLY KNOWS WHEN TO TAKE ADVANTAGE OF THOSE BIG SHOTS, HANDICAP ALSO HELPS! HE WAS ALSO THE ONLY ONE TO HANDLE THE EVER GRACIOUS LIBBY. LIBBY PROVIDING A LITTLE EXCITEMENT OF HER OWN, HAD A FEW CLOSE TIE-BREAKER MATCHES, BUT PROVED TO BE A BIG SHOT, ONLY LOSING ONE TO THAT ONE GUY! THANKS TO ALL WHO PARTICIPATED.

All*Star Results:

The All-Star Tournament (also known as the Quad City Challenge) was held November 23, 1997 in Columbus, Ohio.

Final Results:

	<u>Men</u>	<u>Women</u>	<u>Total</u>
Cleveland:	118	55	173
Columbus:	88	47	135
Cincinnati:	91	35	126
Dayton:	63	25	88

As you can see, Dayton came in last place, however, we were victorious in the 2nd Annual Quad-City Singles Challenge. Tom Poliquin and Heidie Custer played against the top darters from Cleveland, Columbus and Cincinnati and shot their way to first place!!

Our team was there in full force, and although we did not do as well as planned, all had a great time.

On a personal note, I have truly enjoyed being your Chair for the All-Star Committee. I have decided, however, to resign from this position so that I can devote more time to regular league duties. I hope you will give our 1998 All-Star Committee Chairperson all the support you have shown me these past four years.

We thought it was appropriate at this time to run a reprint of an article that appeared in our Fall 1995 DDA Newsletter:

SCHEDULING:

There have been a few questions from DDA members about how the scheduling is done. This is not something that is easily done or explained, but I'll give it a try. Rule of thumb is that the first place team of each division is moved up one division and the last place team is moved down one division. There are always extenuating circumstances, such as: teams changing members, one or more run away teams in a division, one or more teams way behind, new teams, teams dropping out, number of teams in a division, requests for a particular division, teams in a division finishing within a few points of each other and divisions changing. It's a fact that not everyone is always satisfied but there are a lot of issues to consider. The ultimate goal of the scheduling committee is to try to create parity within the divisions.
