A message from the Village Board

We have been in contact with the NYS DOT to try and get the 415/Maple Avenue bridge repaired and/or replaced and to also get the river cleaned out. Any letters of support to Senator Reed or Assemblyman Errigo would be greatly appreciated.

Now that fall is here, and winter is not far behind, snow removal will be here before we know it. This is a reminder that it is the responsibility of the home owner to shovel their own sidewalks before 9:00 am. Currently, the Village plows them as a courtesy (we do not salt them).

The fall foliage festival is October 7th and 8th, come out and join us as we celebrate “Family Fun at the Fall Foliage Festival” and help support our many Community organizations. Visit www.fallfoliagefestival.com for the schedule of events.

Don't forget to go out and Vote on November 6!

Have a safe and happy Holiday Season!

The **Fire Department** would like to thank everyone for supporting phase one of the fire hall kitchen remodel. We are still accepting donations for kitchen appliances, which will be phase two. Come see us for our chicken barbeque during the fall foliage festival October 6. We will also be hosting an open house October 13 from 11 -1. Come see our new fire truck and new kitchen. Fire prevention week is October 7 – 13.

Thank you, Bill Waggoner Cohocton Fire Chief

Code Enforcement

Chuck Cagle

Village of Cohocton Codes Officer

As you prepare your home to "settle in" for winter please remember: if you replace your heating system (furnace, boiler, etc.) or install a pellet stove, woodstove, etc; you will need a building permit. Do you plan on doing any interior work on your home to remodel for the holidays? Please contact our Code Officer as many projects do require a building permit.

Just one simple call 607-329-7842.

The Fire Department would like to remind you, now is a good time to change those batteries in your smoke detectors and clean your chimneys.

Have a Safe and Happy Holiday Season!

Trick-or-Treat night in the Village will be Wednesday, October 31 between the hours of 6:00 pm and 8:00 pm. Please turn on your outside light and drive cautiously for the safety of the children.
