

Florida Women's

ARTS ASSOCIATION

Be Inspired & Inspire Others

MISSION STATEMENT

The purpose of the Florida Women's Arts Association Inc. (FLWAA) is to bring recognition to the achievements of Florida women artists by exhibiting and supporting art by women and by educating the public about their accomplishments.

To fulfill our mission, we present regular exhibitions for members and will offer special demonstration opportunities for non-members as well as members for the purpose of including the community at large. We offer scholarships to promising young artists without regard to race, gender or national origin.

The FLWAA membership includes artists in all disciplines including, visual arts, music, and writing.

CREATIVITY ABOUNDS

These dynamic Florida women artists come from diverse artistic backgrounds representing diverse genres.

The monthly meeting provides excellent opportunities for networking, exploration of show/venue opportunities, and personal growth.
