

## SMT Fundraiser - Newsies

Past, present, and future talent collides on stage at Rochester High School. The event raises needed funds for scholarships, providing young students access to the renowned Summer Music Theatre program. This year's production is Newsies, and is anticipated to sell out. Several young performers are able to participate in Newsies as a result of the funding provided by last year's SMT Fundraiser. This one-time special evening performance has become a delightful tradition and provides a showcase of returning talent. Once a part of our local productions, homecoming students return from college where they have taken a summer hobby to a new level. They are part of a powerhouse group of performers with local roots and Broadway dreams. This night will feature a variety of songs and a variety of performers, all connected with SMT in some way. The audience will be treated to solos, ensembles, and even a full-cast song from "Newsies", this summer's production that will open just a few weekends later on Rochester's stage.

**Friday, July 13, 2018 @ 7:00 PM**  
**Rochester High School Auditorium**

180 S. Livernois

Rochester Hills, MI 48307
