Who's New in Madison

Where New Faces Become Old Friends

Are you new to the Madison area or newly retired? Who's New in Madison is a social organization that promotes friendships through a variety of shared interests and social activities.

Please visit us at: www.whosnew.org

Who's New in Madison

Who's New in Madison, Inc. was organized in 1935 to help residents new to Madison become acquainted with the community through shared interests and social activities.

For over 80 years Who's New in Madison has brought women of many backgrounds and experiences together to meet new friends and promote lasting friendships.

Over the years, in addition to continuing its mission of welcoming new residents to the Madison area, Who's New in Madison has evolved into an organization that also supports the social needs of residents who have lived in Madison over two years.

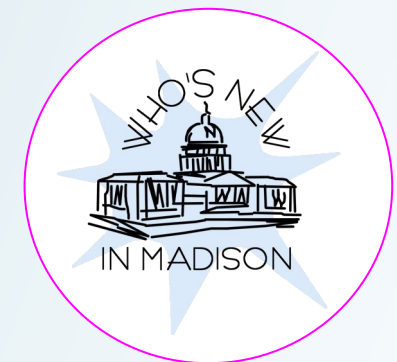

This blend of newcomers and longer-term residents has enhanced the opportunities for all to build new friendships.

From September through May, the greater Madison area provides a setting for monthly luncheons and activities.

Who's New in Madison offers a wide variety of over 40 interest groups such as hiking, card games, book clubs, golf, tennis and biking.

Prospective members are welcome to attend two Who's New luncheons or interest group meetings before joining.

Annual dues are \$20.
